PRAYER FOR PROTECTION FROM HURRICANES

God, our Father, Creator of the Universe, You have set the earth on its foundation and all the elements of nature obey your command.

We humbly beseech You to keep us safe from all dangers and calm the storms which may threaten us. May we be secure in Your loving protection and serve You always with grateful hearts.

We ask this through Jesus Christ, Your son, who lives and reigns with You and the Holy Spirit, one God forever and ever. **Amen**

LETTER FROM THE PRESIDENT MARK HOOKER

We can consider ourselves very lucky that Ian did not make landfall in this area as first predicted. If it had hit this area, Golf Lakes would look like Fort Myers Beach and that area. We would not have had homes to return to. Even though the storm went south of us, we had about 130 homes out of 780 that had damage, but at least you can still live in your home and any damage can be repaired as you wish.

This month picture taking will begin for our Pictorial. The dates and times for November are November 25 from 1:00 PM to 7:30 PM and November 26 10:00 AM to 4:30 PM. Sign-up sheets are on the Bulletin Board at the Clubhouse. The sheets for December are also on the Bulletin Board. They are for December 27, 28, 29, and 30 from 1:00 PM to 7:30 PM. Dates and times for January and February will be posted on the Bulletin Board later. All residents who are here during November and December are encouraged to sign up for those dates and times. I encourage all residents to participate. You will each receive a FREE copy of the pictorial and you will have an opportunity to purchase pictures if you wish. Our last Pictorial was in 2016 and there are many new residents since it was published. With the pictorial you can put a name to the new face you see.

Election Day is November 8, 2022. The Clubhouse will be closed to all activities that day. You may access the library during the day and the office will be open normal hours.

Most of our activities in the park begin this month. If you are interested in joining one of the committees in charge of an activity, contact the Chairman listed in the phone directory. They can help you. Remember, Golf Lakes relies on the volunteers to volunteer. The activities would not happen otherwise.

Format for Thanksgiving Dinner this year is still being finalized. Watch for posted updates.

To all that are traveling this month, be safe. We all look forward to seeing everyone when you return.

Manager's Report

Pamela J. McFarland

Your staff is excited and thankful for another season with our full time and winter residents. A few weeks ago when I started to write this article we were on schedule for all the things the staff does to prepare for a new season. And then there was hurricane Ian. Your awesome maintenance supervisor, Hector, has done an amazing job in just over a week

to make the park have very few signs of the storm that hit with winds of 155 mph when it hit south of Manatee County.

After many years of applying and re-applying for the Tie Down Program, Golf Lakes has been accepted for this **free-of-charge** program. The office has the forms necessary for this program. You can have it emailed, mailed or pick it up. Please take advantage of possibly making your unit safer. We will have more information after the meeting that will be held, Friday, October 14th.

We have had a very wet and humid summer, please be sure to check your home and awnings for the need to have them pressure washed/painted. I like to give residents time to return before sending out letters but many are in need of cleaning now so you might get a letter.

The Lawn Mowing Contracts are to be mailed back to the office by **November 1st**. Please remember, if you have this contractor take care of your lawn, per this contract you are responsible to protect your siding, air conditioners and wires from damage. This contract is for the full year of 2023.

The Association is responsible for some parts of the water system going to your home. Please contact the office if you have a need to work on your water system to be sure it is not the Association's responsibility. The only water valve a resident or vendor can shut off is the one at the home. Please do not look for or use the other valves in the park. The office can help you if you cannot get your water shut off.

There is a phone in the laundry room that is completely accessible to everyone for 911 calls if there is an emergency close by. The address for the pool, fitness, pickleball courts and maintenance area is 403 49th D Ave. E.

Be sure to get instructions from the office for the guest entry system so you can get your guest through the gate when it is closed. Please remind your guests that they cannot follow another car in or enter on a resident's click as the gate may close on their car. Guests must use the call box or the resident will have to go to the gate to let their guest in. **REMEMBER TO LET A GUEST IN FROM THE CALL BOX YOU MUST PUSH 9 ON YOUR PHONE.**

If you are wanting to walk out the 53rd gate, there is a button installed right of the gate on a pedestal. If you push it and use your clicker at the same time the gate will open. You cannot get back in that gate. You can get back in at Gate Street with your clicker. The office has a request form for groups who need to have gates opened earlier or closed at a later time for events. Please submit your request at least a week in advance when possible.

The gate going into the Greens of Manatee Golf Course does require the same transmitter as the Park gates. Please do not use this gate to get to 44th Ave. This is for golf course use only.

The first communication meeting is scheduled for Monday, November 7th. I encourage you to attend all of these meetings which are held the first Monday of every month, November

through April at 7 PM. These meetings are a great way to get information about the business of your Association.

The 2023 Budget has either been hand delivered or mailed to all residents. Be sure to mark your calendars for the Budget and Communication Meeting, Monday, December 5th at 7:00 PM. The 2023 Budget will be discussed at this meeting, remember to bring your copy of the budget with you.

Please put garbage out by 7:30 AM. Tuesday and Friday, during the season, as collection begins early in order to complete the park before dark. Trash has to be cut up in manageable size and put in containers. If your trash is not picked up it may mean it **is not acceptable for pick up.**

Only household trash is picked up on Tuesday and Friday. All other requires a special pick up that is taken straight to the landfill, there is a charge for this pick-up. Special pick-ups are the third Tuesday of every month. You need to schedule and pay at the office prior to pick up day. The office also has a price list. You can also take these items to the landfill yourself. Only use clear yard trash bags (available for sale in the office) for yard trash. This prevents the yard trash from being put in the compactor. Also, make sure all trash weighs no more than 40 pounds.

Dumping of building materials and yard waste by residents is not allowed in the barn and recycling area. Contractors should remove all old materials when they are hired to work in the park.

The recyclable items are limited to specific items. The maintenance staff and volunteers would prefer to not sort undesirables out of the recycling bins every day. Please make it your business to identify the recyclable items that Golf Lakes collects. **Please recycle Monday through Thursday so that the bins do not become overflowing during the weekend.**

The Golf Lakes greens require a different type of top dressing which was purchased in a large quantity due to delivery charges. This top dressing is just west of the mower garage south of Pelican Lake. Please do not take the top dressing or dump old soil on the top dressing. The location of top soil for your use is by the recycle center.

RULE REMINDER

X. VEHICLES, TRAFFIC, AND TRAILERS

6. No utility trailers, motor homes, campers, truck campers, converted buses, or originally manufactured vans equipped with water tank or supply hose or 110 electrical hookups or furnace or sewer hookups shall be permitted in the Park at a residence for more than 8 hours. Such vehicles are never to be used for sleeping over purpose in the Park.

7. Residents or visitors with utility trailers, motor homes, campers or travel trailers shall park the same in the designated area in the north parking lot for no longer than 72 hours within a 10 day period. Owners must post the address and phone numbers (on vehicle) of the resident using the North lot for parking. Vehicles in violation will be towed at owner's expense.

The offices will be closed on Thursday and Friday, November 24th and 25th for the Thanksgiving Holiday. Happy Thanksgiving to all of our residents!

MACY'S TOM TURKEY

Tom Turkey (known at the time as simply The Thanksgiving Turkey) made his Macy's Thanksgiving Day Parade debut in the 1973 Parade, kicking off the Parade's elite fleet of intricate fantasy floats. Construction on the larger-than-life gobbler began in early 1973 at the Macy's Parade Studio, with design work going as far back as November 1972. A mix of fiberglass and paper maché were used to bring the fowl to larger-than-life reality.

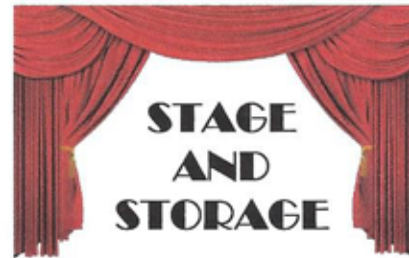

The centerpiece of the two-tiered float was a 24-foot tall Thanksgiving turkey, sculpted in part by artist Manfred Bass. The turkey's 26-foot wide tail feathers sprawled across the back of the float in fall colors of yellow, orange, brown, white and blue. Travelling down the Parade route with eyes rolling, wings flapping and head bobbing, the rosy-cheeked Thanksgiving turkey was controlled by three people on the inside of the float through a series of levers, cables and pulleys. Float escorts dressed as old country townsfolk rode on and walked alongside the fine-feathered fowl.

Starting with the 1975 Parade, the traditional turkey was promoted to the leader of the annual procession. The float has held that position ever since, with only a handful of exceptions occurring over the next several decades. The float as well as escort costumes were updated in 1974, 1982, and 1993. For the Parade's 70th anniversary in 1996, the Turkey float was officially named Thomas T. Turkey – or Tom Turkey for short.

Tom Turkey was given a minor refurbishment in and to celebrate the Parade's 75th anniversary in 2001, Tom Turkey wore a celebratory blue-and-gold ribbon pin, in addition to a pink party balloon on his hat, both with special "75" markings on them. That same year, The Statue of Liberty replaced Tom Turkey as the lead float, serving as a beacon of light and hope following the September 11th attacks on New York City.

For the first time in three decades, Tom Turkey flew the coop and took a "Thanksgiving off" for the 2003 Parade. In lieu of the famed fowl's usual appearance was a recreation of the Gorgeous Gobbler balloon that flew throughout the 1950's and 60's. Tom's removal proved controversial, and it was decided that he would be brought back for the 2004 Parade.

For much more background on the Macy's Holiday Parade as well as Tom Turkey, go to the official website: www.macysthanksgiving.fandom.com/wiki/tom_turkey.

The first Stage & Storage Committee meeting for this season will be November 9 at 10:30 in the Board Room. All residents of Golf Lakes are welcome to attend.

We hope you have been thinking of ways that YOU can participate in The Night of Music in March. This year's theme is "Life's Like a Box of Chocolates." The directors will be anxious to hear your ideas. There is always a need for residents to help behind the scenes, in addition to acts on stage.

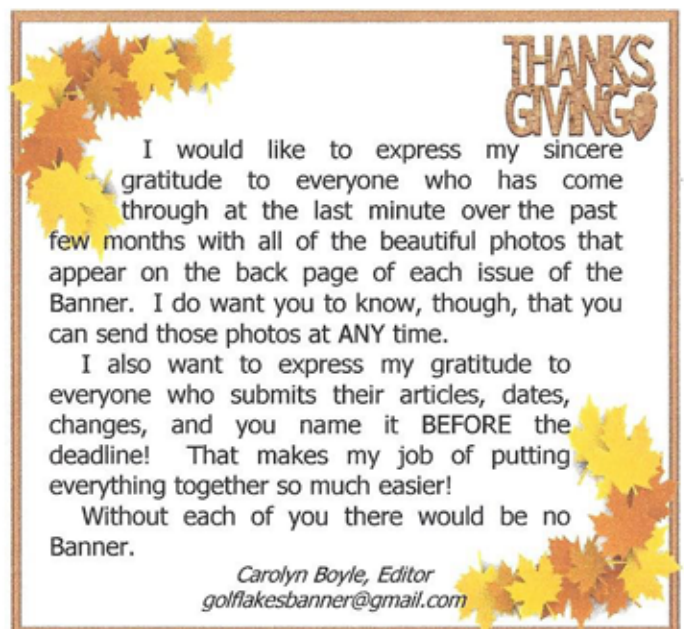

Remember to fill out a form located in front of the sound booth in the clubhouse if you are in charge of an activity and will need special lighting, sound or video. We work hard to schedule someone for you as soon as we are aware of your need so please let us know as soon as possible.

IMPORTANT REMINDER

No pets may visit with unit owners. If your guest requires an animal due to a disability, they will be required to be approved ahead of time in order to bring an animal with them into the Park.

THANKS GIVING

I would like to express my sincere gratitude to everyone who has come through at the last minute over the past few months with all of the beautiful photos that appear on the back page of each issue of the Banner. I do want you to know, though, that you can send those photos at ANY time.

I also want to express my gratitude to everyone who submits their articles, dates, changes, and you name it BEFORE the deadline! That makes my job of putting everything together so much easier!

Without each of you there would be no Banner.

NEW HOME PLACEMENT COMMITTEE REMINDER

One mandate of the New Home Placement Committee is that we are responsible, along with the Park Manager, for determining that modifications to the exterior of existing homes shall comply with the rules as set forth by the Board of Directors. No construction of any new structure or additions to existing structures, or any painting, is to commence prior to submitting drawings and specifications to the Manager and obtaining written approval to proceed with the construction.

Regulations are in place concerning paint colors. Our committee modified the acceptable colors, and these were approved by your Board of Directors earlier this year. If you are planning to repaint, please check to be sure your color is still on the approved list. Samples of approved colors can be obtained in the Golf Lakes Office. More specifics regarding colors can be found in section VII. THE MOBILE HOME of the next issue of the GL directory.

WANTED: RESIDENTS TO RUN FOR THE

BOARD OF DIRECTORS

Each year there are three Board of Directors positions that are up for election. Any resident of Golf Lakes is eligible to run and be elected to those positions. If you are interested, it is very easy to apply:

1. Fill out an Application for a Board of Directors position, which may be picked up in the main office beginning in October.
2. Write up a short resume or information sheet on yourself (1 page). Enclose a photo (a Walgreens passport photo works well). Be sure to leave room on your resume page to attach your photo.
3. Return the Application, Resume and photo to the office.

General elections are held in February each year. If you are willing to represent the residents of Golf Lakes, this is your opportunity to participate in the operation and financial decisions that are required to make Golf Lakes the great community that it is.

If interested but need more information, contact Charles Battleson (716-796-5597) or Bette Buzzell (774-200-1487).

POST-DISASTER "HOTWASH" EVALUATION

One useful tool in emergency management is post-disaster assessment of what worked and what did not. This concept is called a "hotwash session" and allows for everyone to gather and discuss the various phases of the disaster preparation, response, and recovery. As a homeowner and resident of Golf Lakes, we too should conduct our own personal hotwash session for future reference. Things to think about include:

- Did you have a plan and were you prepared? If not, now is the time to formulate and implement. Do not wait until the next storm is imminent.
- Was your "go bag" ready and stocked with batteries, flashlights, chargers, etc.?
- If you evacuated, did you remember to take important documents and other critical personal items such as medications? Take photos of your medications for proof of need in case they are lost in a storm.
- Did you make accommodations for your pets?
- Did you contact family or neighbors to make them aware of your plan?
- Did you contact your insurance company **BEFORE** the storm to assure coverage, deductible, proper claim procedures and important phone numbers?
- Did you "harden" your home by putting down awnings, putting away potted plants, placing sandbags in vulnerable low spots, and securing any objects that could become airborne?
- Since carports seem to be the most vulnerable part of our homes, consider reinforcing with new poles. Many homes still have the decorative or pole style supports and should be replaced or reinforced with current hurricane rated square posts.
- If you leave for the season, please put your awnings down and store furniture. This not only protects your home but also your neighbor's.
- When was the last time you checked your tie-downs? If you haven't, please do as soon as possible.
- Trim excessive or dead palm fronds and tree branches.
- Remember the "ABC" rule – Always Be Charging – all phones, tablets, etc.

These are just a few things we need to think about not only before disaster strikes but throughout the course of the year. If we all do a little, it will help a lot!

Ari Mathos recently reported on Facebook finding a palm frond and pieces of styrofoam in a storm drain near his home. If you notice anything unusual in any drain in the Park, please alert the office. *Thank You!*

GOLF LAKES WOMEN'S GOLF LEAGUES

TIME TO DUST OFF THOSE CLUBS! Can you believe it is time for our Women's Fall Golf Leagues to start? Summer is going by very fast and our Fall Leagues start on Nov. 7 at 9:00 AM for the Monday League and on Nov. 8 at 9:00 for the Tuesday League. The Monday league has a \$7 fee to join to cover prizes and if you miss a week you are encouraged to make it up. Tuesday League is casual with no fees or prize money and no make-ups required. A sign-up sheet will go up on September 1 in the clubhouse on board #1.

If you are new to the park and can't quite figure out where we have a 9-hole golf course, let me explain. Our golf course is right around the club house but we only have three greens. Each green has three different tee boxes. To add more challenge we have some shots that go over water, so it is not as easy as you might think. There are a few balls in the pond to prove it.

If you have any questions regarding the Fall League contact Cynthia Pollock, the Fall League Coordinator. We hope to see all our former members as well as welcome any new members. Enjoy the rest of your summer and we will see you soon!

The Golf Lakes Annual "Fall Picnic" will be held Saturday November 12th at 4:00pm in the green space north of the Clubhouse. All residents, renters and guests are invited. Signup sheets for the picnic will be on Board 2 in the Clubhouse starting October 24th. Signup is requested to determine the amount of food and drink required. If unable to sign-up, come to the picnic anyway and enjoy the food and friendship. Volunteers will be needed to cook hot dogs, keep tables filled with food and serve drinks. A sheet will be posted on Board 2 for volunteers to bring desserts. Contact Terry Keller at 269-953-2431.

The official 2022-23 season for Bingo will begin on Friday, November 4th and continue every Friday thereafter through May.

Bingo has been taken over by Bill Oravec, a full-time resident, as organizer and Treasurer. He has taken the time to meet with former Treasurer Carol Vriesema and had a few "test runs" in order to gain a better understanding of how the Bingo evenings are handled.

Bingo is open to all residents and their friends outside of the park so please pass the word that it is back at Golf Lakes.

Prepared on behalf of Bill Oravec

THANKSGIVING DAY DINNER 2022

TENTATIVE AS OF 10/10/22

Activities Committee

The 2022 Thanksgiving dinner will be Thursday November 24th at 1:00 PM in the Clubhouse.

The current plan is to find and confirm a caterer for the Thanksgiving meal. Staffing shortages and the significant increase in food prices may change this plan. Initial inquiries indicate the price, if catered, could be as high as \$20.00 per person. The next option would be a potluck with drinks provided by Activities.

Watch Board 2 in the Clubhouse for confirmation of the type of meal. Announcements will also be made at Social Hour.

Line Dancing

It won't be long before line dancing in the clubhouse begins. This year there will only be one class offered. Friday afternoons, beginning December 9 at noon, will incorporate novice, beginners and experienced dancers during the 3-hour class. There are other line dance opportunities in the area. If you have Silver Sneakers as a health benefit, there are line dance on-line classes 2-3 times a week. They last 30 minutes and give you a good stretch as well as learn a new dance. Check it out. I am sure the Tues, Thurs dancing in the street will also begin for those of you who like early morning exercise.

I look forward to helping those who want to give line dancing a try, introduce new dances or just old dances to new music, and in general, have a great time moving to music on Friday afternoons.

GREENS OF MANATEE

The Family Friendly Course

Fall/Early Winter 2022

Summer has flown by, vacations are about over, and it is time to think about our Golf Lakes family and friends as well as great golf at the Greens of Manatee. Between the record heat and rainfall, it was a tough spring and summer at the course. As we move into fall and early winter, the weather will improve and golf becomes the name of the game. The course is in great shape and ready for individual and league play. As we move into the last quarter, the following is a summary of items to watch for:

1. Golf Lakes Men's Monday Morning Golf League starts October 31st. A meeting will be held in Clubhouse for election of officers, rules clarification, and dues collection. Sign up for the Men's league is on Board 1. Greens of Manatee women's leagues will also be starting up. Check at the course clubhouse for information.
2. The Saturday Scrambles continue. Stop at the Clubhouse, check out the dates and sign up for a great time. The scrambles are open to all golfers regardless of skill level and are a great event for husband and wife golfers
3. There is still time to purchase your 2023 Annual Golf Fees. It's a great deal for the avid golfer. If interested, contact Tom Ladd at the course.
4. Raffle tickets are still available at the Clubhouse. Winner gets their choice of 1 year free golf or \$1,000. Get your tickets at the Clubhouse and win big!
5. For Golfers and Non-Golfers - The Greens of Manatee is open to everyone, not just golfers. The Snack Bar opens early for breakfast and they have a great selection for lunch. Don't miss the fantastic sloppy joes, burgers or Rose's award winning chili!!
6. For Tee times call 941-755-8888

MEN'S MONDAY MORNING GOLF LEAGUE Greens of Manatee - Fall 2022

The fall season of the Monday morning Men's Golf League started with a meeting in the **Golf Lakes Clubhouse at 8:30 AM on October 31st**. The purpose of the meeting was to elect officers, confirm rules, meet and greet new players and collect dues (\$15 covers fall & winter league play). League play will start November 7th. As in the past, the first tee time will be at 8:30. It is recommended that you arrive at least 10 to 15 minutes ahead of your scheduled tee time. On some Mondays, the league play is able to start early.

Remember to sign up on Board 1 in the Clubhouse. Sheets will be posted to sign up as an individual golfer, as a 2-man team or you can sign up as a substitute. Prior to the start of league play on the 7th, a schedule for the fall season will be posted on Board 1 in the Clubhouse. In addition, each player will receive their own schedule starting on the 7th.

NOTE: The overall league schedule is posted on Board 1 and it appears on this page (see above). Contact Paul Maille (941-751-2162) or Terry Keller (269-953-2431) with any questions.

This is an alphabetical list of activity information received through October 10th. **Please check for your activity and make sure all info has been received and it is correct.** If you are in charge of any activity (including in the pool) and it is not listed in this table that means that the Banner still has not received a Submission Form (one is found in this issue).

The Banner wishes to thank all activity leaders who have taken the time to make sure that we had the correct information for your groups.

Activities for which we do not have a Submission Form or all information will not appear on the monthly Activities Page beginning in December.

SOCIAL HOUR INVITATION

The Activities Committee is confirming the open invitation to Saturday Social Hour. Golf Lakes has many new residents and it is important for everyone to be aware of our Social Hour starting at 9:00 AM every Saturday in the Clubhouse.

For a nominal fee of \$1.00 you get a seat, coffee, and a donut. It also provides the opportunity to meet new people and catch up on what is going on in the Park. In addition, there are special announcements made to keep everyone informed of club or committee activities in the park. Be sure to arrive a little early and come join us! If you have trouble finding a seat, look for the gentlemen wearing the funny red and white striped hats to assist you in finding a seat.

As of 10/10/22

SOCIAL HOUR SHORT ANNOUNCEMENTS

Based on concerns about the length and content of announcements made during Social Hour, guidelines have been established to make the announcements shorter and more effective. If making an announcement, please adhere to the following for the benefit of all attendees.

1. Announcements should be no longer than 15 to 20 seconds.
2. Announcements are to inform and not to entertain – elaboration is not needed.
3. Be specific – list dates, times, cost & contact person.
4. Clarify what Board contains specific details and/or sign-up sheets.
5. Should be in a format similar to what may appear as Ch732 announcements (short & concise)
6. Announcements are for events and activities sponsored by Golf Lakes ONLY.
7. Announcements should not be made more than 3 weeks ahead of the activity or event.

If you would prefer not to attend Social Hour but have an announcement, you must legibly write it out and have someone else make it for you or drop it off to the Emcee no later than 8:50 AM that morning and the Emcee will make sure someone makes the announcement.

THE WELCOME COMMITTEE

ATTENTION NEW RESIDENTS

The Activities Committee has a **New Resident Welcome Committee** and we would love to talk to you. The Committee shares information about our Park, provides you with a voucher for a free safety vest, a "New Resident Handbook" and a Pictorial of the residents in the Park. A short interview provides the opportunity for your formal introduction to the Park. At a minimum, the meeting with the Committee results in your introduction in the Banner. A New Resident listing appears most months in the Banner. You would be surprised the number of times our new residents have found folks from their own state of even their city through the Banner introduction. At this time, the Committee is working hard to get caught up with interviews due to the large number of new residents. If you would like an "Official Greeting" to Golf Lakes, sign up on the New Resident sheet on Board 2 in the Clubhouse or call Terry Keller at 269-953-2431. Arrangements will be made for your official welcome.

Morning Dew

Waking up each morning, how blessed we are to be here.

The world awakens each day from its nightly slumber transformed by a sparkling layer of morning dew on the grass, on flower petals and leaves, on cars and car windows. These glistening droplets last only a little while, an integral part of what imbues the early morning with its aura of magic. If we sleep too late, we miss the magnificent display of sunlight playing on an infinite amount of tiny crystal-like drops. To step onto the dew-covered grass is to anoint our feet with a form of water that comes only once a day for a short time, a rarefied gift of the night air that will soon evaporate in the full light of the sun. If we inhale slowly and consciously enough, it is almost as if we are drinking in this magical elixir formed in the boundary between darkness and light.

In one myth, morning dew is believed to be tears from heaven, and in another, the droplets are poured from the vessel of the goddess of dawn. When we see the earth draped in these shimmering drops, it is easy to imagine fairies bathing in the water or a sky god weeping from longing to be closer to his beloved earth goddess. Seeing the sparkling beauty of the earth emerging from darkness, we may understand this longing in terms of our own gratitude, how blessed we are to be here.

Perhaps heaven really does long to be here on earth and perhaps that is why we are here, as conduits between the divine and the earthbound. As we drink the morning dew in with our eyes, our skin, our breath, it is easy to imagine that it really is a magical potion, a gift from heaven, a reminder of our true purpose, and a daily opportunity to be transformed.
