PRAYER FOR PROTECTION FROM HURRICANES

God, our Father, Creator of the Universe, You have set the earth on its foundation and all the elements of nature obey your command.

We humbly beseech You to keep us safe from all dangers and calm the storms which may threaten us. May we be secure in Your loving protection and serve You always with grateful hearts.

We ask this through Jesus Christ, Your son, who lives and reigns with You and the Holy Spirit, one God forever and ever. **Amen**

LETTER FROM THE PRESIDENT MARK HOOKER

Board meetings will start this month on the second and fourth Thursday's at 9 AM in the Board Room in the Clubhouse. They will also be on Zoom. All residents are invited to attend. If you wish to bring a matter before the Board, you must contact me or the office at least 72 hours (3 days) before the meeting to be placed on the agenda.

Any resident may run for the Board. Each year there are three openings. If you are interested, get an application from the office, complete it, and return it to the office along with a short, one page resume. You may insert a picture of yourself on your resume. This helps residents to identify your name and face. The office must receive these documents by the end of December. The election is held in February.

Most of the summer jobs are finished and the park is looking good. The pavers along the south side of the clubhouse are done, and it is a big improvement to the walkway which is the main entrance to the clubhouse. The maintenance staff and Pam have worked very hard this summer.

This winter season we will be taking pictures of all the residents for a new pictorial directory. The last pictorial was done in 2016 and we have many new residents and lots of changes. The first pictures will be November 25 and 26 this year. You will have more information next month including more dates, the times available, and where this will be done. I encourage everyone to have their picture taken and included in the pictorial.

Many of our winter residents have returned or will this month. Please be careful driving, and have a safe journey to Florida. We are looking forward to seeing everyone.

Manager's

Report

Pamela J. McFarland

Welcome back to our residents who have returned for the 2022-2023 season. Please stop by the office to sign in. It is important that you let the office know when you have returned so that we can keep your location current in the computer for future mailings and correspondence.

If you are currently on the e-blast and have had a change of email please let the office staff know. If you are not currently on the e-blast and want to be please sign up at the office. This is a good way to keep up with your Association.

This will be my last season as your Manager. After 35 years as an employee of Golf Lakes I will start a new adventure July 2023. I am thankful that most of the world is back to some sense of what we knew as normal before the pandemic and looking forward to what I enjoy most about The Season at Golf Lakes, residents enjoying the activities and fellowship.

It has been another wet summer. Along with humidity comes mildew. Several homes and awnings are beginning to show signs of mildew. I try to put off letter writing concerning mildew until November or December knowing that pressure washing is one of the first things residents do upon their return to the park. Unfortunately, with such a wet summer letters will have to go out earlier.

Don't forget there is a **November 1, 2022** deadline for the park lawn mowing contracts to be returned to the office, for 2023 service. The contracts were mailed in September and is an annual contract to begin January 2023. The contract cannot be cancelled for a year. Due to billing requirements, there will be **no exceptions** to this deadline. If you are interested in another alternative to the Park Lawn Maintenance the office does have some vendors who will do individuals.

As a reminder, the guest call box entry system is used in the following manner. Your guest will pull up to the call box, find resident's name on list (by pushing the up or down arrow...if you hold the arrow down it will scroll faster) and once the resident is found push the call button. It will time out so all the guest only has time to do is identify themselves and residents push 9 on their phone to open gate. Residents can also get their code in advance to give out to your guest and they can just enter the code and when it comes up on the screen hit the call button upon arrival to the call box.

MORE REMINDERS:

- When the pool vendor or maintenance staff puts out the "POOL CLOSED" sign please cooperate and stay out of the pool while it is being maintained.
- Golf Lakes cannot recommend or endorse any of the outside vendors who advertise in the Banner or the Park Directory. Residents should always get two or three quotes for work they need to have done by vendors. Also, ask your neighbors if they have used the vendor you are considering.
- Golf Lakes provides free notary services to our residents at the office. Please do not ask the staff to notarize a document not signed in front of them. Calling the office ahead of time to assure the availability of a notary and witnesses is a good idea.
- The drop box outside the office on the brick post is not an outgoing mail box. This box is used only for items intended for the office. The outgoing locked mailbox is located inside the hall in the front foyer.
- The clubhouse floor has been cleaned, polished and sealed. Please do not put any tape on the floor or carpet as it pulls up the sealant and leaves glue. Cord covers can be found in Storage A if you need to cover cords to prevent tripping.
- Golf carts are not allowed in the grass or common areas. Excess parking of golf carts in the grass around the golf cart parking at clubhouse and west side of pool fence is allowed.

Your staff has accomplished many of our summer goals and are looking forward to a new season.

Transylvania's Moosnick Museum

Transylvania University's Moosnick Medical and Science Museum in Lexington, KY displays a portion of the University's extensive holdings of nineteenth-century science artifacts, anatomical models, and botanical paintings that were used to teach the principles of physics, chemistry, and biology. The instruments were purchased in London and Paris from 1820 to about 1850 and brought to Transylvania, where they were used extensively by the students in Transylvania's flourishing medical school, which turned out thousands of doctors.

A hairball is the most famous artifact in this little-known collection at Transylvania University. The brown orb is as big as a birthday balloon and was pulled from a cow's stomach in 1848. It was donated to the University by Abraham Lincoln's brother-in-law.

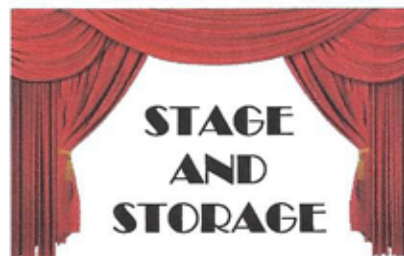

The school closed in 1859 – in part because little Lexington had relatively few dead bodies to dissect – then it became an Army hospital and burned during the Civil War. Its priceless teaching tools – including weird electrical instruments, preserved body parts, unsettling anatomical models, countless dead animals, and the hairball (which appears to be lightly scorched) – were rescued from the flames. Then they disappeared into Lexington's closets, cellars, and attics.

Dr. Jamie Day, professor of physics, is caretaker/curator of the Moosnick Museum. He reports that because the relics were not thrown away, and by the time the collection was reassembled at the University in the 1920s, they were recognized as historical and worthy of display. A visiting specialist from the Smithsonian Institution judged Transylvania's collections to be among the finest in the nation for this time period.

The Moosnick Museum's artifacts are currently displayed in multiple campus locations. Dr. Day says that the University has intended since the 1940s to consolidate the collection into a single "museum" space, but its vast size and a lack of funds has continually thwarted those plans. "We have lots and lots of weird things," says Day.

The museum is located at 300 N. Broadway Road in Lexington, KY on the campus of Transylvania University. Currently, tours to see the artifacts are by appointment only and reserved for those in medicine or research.

Soon our clubhouse will be buzzing again with activities and events. Please be reminded that if you are in charge of an event for which you will need special lighting, sound, media, etc. our committee needs to know in advance. Tech Support Forms are located in the box on the front of the sound booth. The sooner we are aware of your need(s), the easier it is to schedule someone to fulfill them.

As you prepare for your return to Golf Lakes don't forget about the Night of Music coming up in March. This year's theme is "Life's Like a Box of Chocolates." The Night of Music is our committee's only fundraiser. Be thinking now about how YOU can be a part of the fun. The directors will be anxious to hear your ideas. In addition to acts, there is always a need for residents to help behind the scenes.

Our first committee meeting will be November 9 at 10:30 in the Board Room. All Golf Lakes residents are welcome to attend.

NEW HOME PLACEMENT COMMITTEE REMINDER

One mandate of the New Home Placement Committee is that we are responsible, along with the Park Manager, for determining that modifications to the exterior of existing homes shall comply with the rules as set forth by the Board of Directors. No construction of any new structure or additions to existing structures, or any painting, is to commence prior to submitting drawings and specifications to the Manager and obtaining written approval to proceed with the construction.

Regulations are in place concerning paint colors. Our committee modified the acceptable colors, and these were approved by your Board of Directors earlier this year. If you are planning to repaint, please check to be sure your color is still on the approved list. Samples of approved colors can be obtained in the Golf Lakes Office. More specifics regarding colors can be found in section VII. THE MOBILE HOME of the next issue of the GL directory.

WANTED: RESIDENTS TO RUN FOR THE

BOARD OF DIRECTORS

Each year there are three Board of Directors positions that are up for election. Any resident of Golf Lakes is eligible to run and be elected to those positions. If you are interested, it is very easy to apply:

1. Fill out an Application for a Board of Directors position, which may be picked up in the main office beginning in October.
2. Write up a short resume or information sheet on yourself (1 page). Enclose a photo (a Walgreens passport photo works well). Be sure to leave room on your resume page to attach your photo.
3. Return the Application, Resume and photo to the office.

General elections are held in February each year. If you are willing to represent the residents of Golf Lakes, this is your opportunity to participate in the operation and financial decisions that are required to make Golf Lakes the great community that it is.

If interested but need more information, contact Charles Battleson (716-796-5597) or Bette Buzzell (774-200-1487).

Summer has flown by, vacations are about over, and it is time to think about our Golf Lakes family and friends as well as great golf at the Greens of Manatee. Between the record heat and rainfall, it was a tough spring and summer at the course. As we move into fall and early winter, the weather will improve and golf becomes the name of the game. The course is in great shape and ready for individual and league play. As we move into the last quarter, the following is a summary of items to watch for:

1. Golf Lakes Men's Monday Morning Golf League starts October 31st. A meeting will be held in Clubhouse for election of officers, rules clarification, and dues collection. Sign up for the Men's league is on Board 1. Greens of Manatee women's leagues will also be starting up. Check at the course clubhouse for information.
2. The Saturday Scrambles continue. Stop at the Clubhouse, check out the dates and sign up for a great time. The scrambles are open to all golfers regardless of skill level and are a great event for husband and wife golfers
3. There is still time to purchase your 2023 Annual Golf Fees. It's a great deal for the avid golfer. If interested, contact Tom Ladd at the course.
4. Raffle tickets are still available at the Clubhouse. Winner gets their choice of 1 year free golf or \$1,000. Get your tickets at the Clubhouse and win big!
5. For Golfers and Non-Golfers - The Greens of Manatee is open to everyone, not just golfers. The Snack Bar opens early for breakfast and they have a great selection for lunch. Don't miss the fantastic sloppy joes, burgers or Rose's award winning chili!!

Hi Golf Lakes Residents! My name is Bill Oravec and I've volunteered to take over as the organizer and Treasurer of **Bingo**. I am still learning about how things have been run in the past, and I did have the opportunity to meet with the former Treasurer (Carol Vriesema) when she was in town in July.

I am planning to have a few 'test' runs later in September and a few in October before the official season starts on Friday, November 4th. This will help me gain a better understanding of what a night of Bingo in the Clubhouse looks like. More to come on the details. This activity is open to others outside of the park, so tell your friends!

I am a permanent resident and my phone number is (440) 487-1048. Please feel free to call or text with any questions and/or suggestions. I am excited to help bring this activity back to our park!

GOLF LAKES WOMEN'S GOLF LEAGUES

TIME TO DUST OFF THOSE CLUBS! Can you believe it is time for our Women's Fall Golf Leagues to start? Summer is going by very fast and our Fall Leagues start on Nov. 7 at 9:00 AM for the Monday League and on Nov. 8 at 9:00 for the Tuesday League. The Monday league has a \$7 fee to join to cover prizes and if you miss a week you are encouraged to make it up. Tuesday League is casual with no fees or prize money and no make-ups required. A sign-up sheet will go up on September 1 in the clubhouse on board #1.

If you are new to the park and can't quite figure out where we have a 9-hole golf course, let me explain. Our golf course is right around the club house but we only have three greens. Each green has three different tee boxes. To add more challenge we have some shots that go over water, so it is not as easy as you might think. There are a few balls in the pond to prove it.

If you have any questions regarding the Fall League contact Cynthia Pollock, the Fall League Coordinator. We hope to see all our former members as well as welcome any new members. Enjoy the rest of your summer and we will see you soon!

If unable to sign-up, come to the picnic anyway and enjoy the food and friendship. **Volunteers will be needed to cook hot dogs, keep tables filled with food and serve drinks. A sheet will be posted on Board 2 for volunteers to bring desserts.** Contact Terry Keller at 269-953-2431.

The Activities Committee is confirming the open invitation to Saturday Social Hour. Golf Lakes has many new residents and it is important for everyone to be aware of our Social Hour starting at 9:00 AM every Saturday in the Clubhouse.

For a nominal fee of \$1.00 you get a seat, coffee, and a donut. It also provides the opportunity to meet new people and catch up on what is going on in the Park. In addition, there are special announcements made to keep everyone informed of club or committee activities in the park. Be sure to arrive a little early and come join us! If you have trouble finding a seat, look for the gentlemen wearing the funny red and white striped hats to assist you in finding a seat.

SOCIAL HOUR SHORT ANNOUNCEMENTS

Based on concerns about the length and content of announcements made during Social Hour, guidelines have been established to make the announcements shorter and more effective. If making an announcement, please adhere to the following for the benefit of all attendees.

1. Announcements should be no longer than 15 to 20 seconds.
2. Announcements are to inform and not to entertain – elaboration is not needed.
3. Be specific – list dates, times, cost & contact person.
4. Clarify what Board contains specific details and/or sign-up sheets.
5. Should be in a format similar to what may appear as Ch732 announcements (short & concise)
6. Announcements are for events and activities sponsored by Golf Lakes ONLY.
7. Announcements should not be made more than 3 weeks ahead of the activity or event.

If you would prefer not to attend Social Hour but have an announcement, you must legibly write it out and have someone else make it for you or drop it off to the Emcee no later than 8:50 AM that morning and the Emcee will make sure someone makes the announcement.

**THE WELCOME
COMMITTEE**

ATTENTION NEW RESIDENTS

The Activities Committee has a **New Resident Welcome Committee** and we would love to talk to you. The Committee shares information about our Park, provides you with a voucher for a free safety vest, a "New Resident Handbook" and a Pictorial of the residents in the Park. A short interview provides the opportunity for your formal introduction to the Park. At a minimum, the meeting with the Committee results in your introduction in the Banner. A New Resident listing appears most months in the Banner. You would be surprised the number of times our new residents have found folks from their own state or even their city through the Banner introduction. At this time, the Committee is working hard to get caught up with interviews due to the large number of new residents. If you would like an "Official Greeting" to Golf Lakes, sign up on the New Resident sheet on Board 2 in the Clubhouse or call Terry Keller at 269-953-2431. Arrangements will be made for your official welcome.
