PRAYER FOR OLDER ADULTS

Dear God, as I grow older, keep me from becoming too talkative, from repeating myself, and falling into the habit of expressing an opinion on every subject. Give me wings to get to the point. Give me the grace to listen to others without the need to interrupt. Teach me the glorious lesson that, occasionally, I might be mistaken. Keep me reasonably sweet and not sour in nature. And, Father, give me the patience I seem to be misplacing more often.

Amen

LETTER FROM THE PRESIDENT

As April arrives, many of our winter activities are ending and many of our winter residents are returning to their northern homes for the summer season.

The Green Committee is in need of volunteers. This committee looks for ways to save the park money in our use of natural resources and power and also recycling. Properly disposing of our trash, providing ways to check our bathroom fixtures for leaks, following the water shut off rules as you leave for any length of time, and conserving our water are tasks important in protecting our environment so we can all enjoy our little piece of paradise for many years. There is a chairperson and 4 members. Anyone interested in joining this committee, please contact me or Pat Mandjack, Board Liaison.

A New Resident Orientation will be April 3 from 10 AM to 12 Noon in the front of the clubhouse. If you are a new resident during the last two or three years, please plan on attending this meeting. This is a requirement for all new residents.

This month the Board will work on finalizing the summer projects including what and when will be done. You will be receiving more information at a later date. As a reminder to our residents, the pool relining will be done in October. The pool complex will be closed for all activities at that time.

We hope that everyone has a great summer and a safe trip home. Enjoy Easter with your family. We look forward to your return next season.

THIS IS NO APRIL FOOL JOKE!

The Board of Directors accepted the nomination of **CJ Woodman** (see the Welcome to the Neighborhood page) as Co-Editor of the Banner at their February 23rd meeting.

Let me confirm the rumors. After six years as your Editor, I have decided to step down and place my focus on the visitation ministry which I have for God and those in need from my church, within Golf Lakes, and around the Bradenton area.

As of July 1st, CJ and I will be switching positions and she will become the Editor. I hope to remain as Co-Editor until at least the end of 2023 so that I can give CJ support as she learns the monthly process, especially during the season.

It has been an honor for me to be your Editor for the past six years and having the opportunity to turn your newsletter into what I've been told is "more like a magazine" and a "pleasure to read."

Manager's

Report

Pamela J. McFarland

This is the month most of our winter residents usually head back to their summer homes. If you are a winter resident, please be sure to complete the following prior to departing for the summer.

- **IT IS NOW MANDATORY TO SHUT OFF YOUR WATER IF YOU**

ARE LEAVING. BE SURE ALL FAUCETS ARE SHUT OFF AND BE SURE TO SHUT OFF YOUR HOT WATER HEATER TOO. If the Association has to shut off your water they will NOT be responsible for your hot water heater.

- **Check awnings and home.** If they are beginning to mildew, in the high humidity of summer they are going to become worse and you will receive notice to have them cleaned in your absence. You need to do them before you go.
- **Sign out at the office.** You can call and let us know.
- **Leave a key** with the office or let the office know who has a key.
- **Inform the office** who is responsible for your flower beds and planter box. If upon inspection it is found that your property is in need of weeding and this information is not available at the office then the work will be arranged by the office and you will be billed.
- **Complete Banner Envelopes.** If you desire to have the Banner sent to your summer address, you need to stamp, self-address envelopes and mark the months you want the Banner sent to you on the envelopes. Self-sticking envelopes are available at the office. Mail fees are \$1.35 in the United States but we don't have an amount for Canada. The Banner can also be read online at golflakes.com.
- **Stow away ALL outside items.** Please see rule VII. Mobile Home Site 16.

Something **not to do** that some people may have at one time been told to do is to plug sinks and open up the faucets after you turn off the water. If your water gets turned on by mistake, you will return to a flooded home.

The cost of a yard light, pole and globe is \$94.07. Installation would be extra. If you do not have a working yard light, please consider getting one. If you have a yard light, please consider leaving it on in the summer to help light up the Park.

For our residents who are leaving their winter homes, your staff wishes you a safe and healthy summer.

Golf Lakes has beautiful wild life in the park. The Association encourages you not to feed the wild life and especially do not throw human food in the lakes.

RULE REMINDERS

Rule IV. Pets.

No resident or guest shall keep any pet of any kind in the Park, including birds, except for approved assistance/therapy/emotional/service animals that comply with the Federal Fair Housing Act may be permitted. See the manager for policies and procedures.

All residents need to abide by the following practices when encountering another person in the park with animals.

- Do not inquire about details of a person's disability. The nature of the person's disability is a private matter and is confidential under federal HIPA laws.
- Do not speak negatively concerning the fact the animal is in the Park. You may call the office to confirm the approval of the owner/tenant/guest to have the animal.
- Do not touch or pet a service, assistance, or therapy/emotional support animal.
- Do not feed a service, assistance, or therapy/emotional support animal.
- Do not deliberately startle a service, assistance, or therapy/emotional support animal.

Approval for service, assistance, therapy and emotional animals for residents, tenants and guest must be submitted 30 days prior to expected stay in the Park.

X.6. Vehicles, Traffic and Trailers.

No utility trailer, motorhomes, camper, truck campers, converted buses, or originally manufactured vans equipped with water tank or supply hose or 110 electrical hookups or furnace or sewer hookups shall be permitted in the park at a residence for more than eight (8) hours. Such vehicles are never to be used for sleeping -over purposes in the Park.

Through the Years...The 80's

Almost Just a Memory...

During construction in the 1980's many mobile home parks were being purchased by large corporations who were finding rental parks a lucrative business endeavor. In 1986 residents learned the park would be up for sale and were confronted with the possibility of getting a new landlord who would raise the rents or possibly evict them to convert the park into a commercial development. According to Florida Law they had the first right to purchase it and the President of the HOA, Harold Brigham, pursued it vigorously saying, "We're ensuring our future here." The residents decided to move forward with a Purchase forming an Acquisition Committee and hired the law firm of Korp and Assoc. which submitted the \$14 Million offer.

Now they just needed \$5 Million for their new NCNB National Bank Mortgage so they set the share price at \$19,000, thus creating a Co-Op with a 99-year lease. Most residents were thrilled to pay the share price since they were currently facing rent that was accelerating at 10% every year, under Lynn Gilmore and his investors. During the next year two thermometers were placed in the clubhouse so residents could follow the progress of money pledged and units who joined the co-op. Finally on April 2, 1987 the money was raised and celebrations ensued!

The Dawning of a New Day...

We now had a \$9 Million Mortgage Balance and in order for the State to approve us we had to create a Prospectus, establish rules and committees create a Board of Directors and a Finance & Budget Committee. Residents tackled these tasks and donated more than hours to repaint street signs and mailboxes, update landscaping and exterior of homes, and added new street lights with renewed enthusiasm for their new resident-owned park. By the end of our first official co-op year we had 535 co-op members and another 245 who continued to pay rent.

The NCNB Bank started a "Parks Olympics" tradition with four other parks they funded. They provided food & entertainment, music & fishing competitions, and softball games between the parks. Years of fun ensued until the mortgage was paid off and we started our own traditions.

In 1988 an agreement was negotiated for group cable service, new washers and dryers were installed in the laundry area, and the stage was enlarged "to hold a herd of elephants", as our President said. In 1989 we hired our first park manager, Michael Gist, and we have been blessed ever since. That year park benches and bike racks were put in place plus a Christmas decorating contest started.

Nearing the end of the 80's a Committee was established to research installation of a new swimming pool, but once it was discovered that 100% resident approval was required by State law to place it on the ballot, it was ground to a halt. Ummm...curious how we have one now!

Watch in May for the next installment of our history *Through the Years...*

GREENS OF MANATEE

The Family Friendly Course
Summer 2023

Play was very strong the first quarter of the year and is now starting to slow as we get into the warm weather and folks leave for the north. For the golf course, summer and fall bring the challenges of storms and wet weather. The rest of the time, it is warm as usual but still a good time for golf.

As we move into the 2nd quarter of the year there will be some inconveniences for our golfers as you make the turn and head to the back nine. A new septic system is being installed which may require removal of some trees between the No. 10 Tee Box and the No. 18 Green. Bear with us as we continue to make long lasting improvements.

Another improvement underway is the replacement of our aging golf cart batteries. By fall, we plan to have the entire fleet of 39 carts upgraded thanks to a very generous donation made to the course.

For the Golfer – The scrambles will continue throughout the summer depending on the weather. Signup is in the course Clubhouse. As a reminder, the scrambles are open to all golfers regardless of skill level, and they are a lot of fun. Any questions, give the course a call at 941-755-8888.

For All Residents – As always, the Snack Bar will be open for your dining pleasure. The Golf Lakes gate opens at 6:30 AM and the Snack Bar will always be ready to serve you a filling breakfast. Don't miss out on the great lunch selections of burgers, sloppy joes, hot dog and chips etc.

ACTIVITIES SCHEDULING 2023-2024 SEASON

You may want to consider as you complete the Hall scheduling forms that this is also a good time for you to complete a Submission Form for the Banner if your group does not currently appear on Scheduled for the 2023-2024 Season (NOT the Activities page) found in this issue or if the information needs to be updated.

The information received is for the monthly listing on the Activity Page and helps the Banner know when activities go on or off that page.

Even if your group has been meeting since the "beginning of time," it will NOT appear unless we receive your form. This includes all activities from ART to WATER AEROBICS and everything in between. Please make sure we get your listing so that all of our new residents are aware of your schedule!

Completed forms may be placed in the Banner box on the front of the sound booth. Thank you.

Welcome to the neighborhood

Rod and CJ Woodman moved into Golf Lakes in July of 2022 from Knoxville, Tennessee. They reside at **404 49th Ave E**. Although their northern home is now Tennessee, they are really Michiganders and have moved a lot throughout their marriage because of Rod's job with General Motors. Rod worked for GM for 34 years, starting out in the body shop and later moving to Maintenance Supervisor. CJ has worked in Real Estate, specializing in marketing and Web design. She still works part time and has found a volunteer spot with the Banner! Rod and CJ have two children, a son and a daughter. The daughter is just graduating from Medical School. They have one grandchild. Rod and CJ both enjoy golf, pickle ball, boating, and anything to do with water, be it the beach or our pool. They are members of the Moose. Rod and CJ have had family in Bradenton and knew they wanted to be seasonal residents of this area, so they began looking at mobile home parks. It was just random chance that brought them to Golf Lakes, but they knew immediately upon entering the park that this is where they wanted to buy. (Actually Rod was not along so CJ bought the house without him seeing it in person.) CJ said it was the fact that the park was gated, well maintained and beautiful that attracted her, but also all the amenities and activities sealed the deal. They were visited by Dick and Karla Blevins.

Greg and Julie Shireman reside at **4922 2nd B St**. They are here with us from Milton, Wisconsin. Greg retired from Experian as Chief Information Officer. Julie is a retired Dialysis Social Worker and currently volunteers at a hospice thrift store in the summer. They have 2 children and 2 grandchildren. Greg enjoys boating and has a passion for golf. Julie likes to walk and plays euchre. They belong to Cargill Methodist Church in Janesville, Wisconsin. While in Bradenton on vacation they visited Golf Lakes and were impressed with our community as well as being close to local relatives and decided to purchase in March 2021. They will be part-time residents. They were interviewed by Susan & Milton Christy.

Bob and Joan Sturgill reside at **407 49th A St**. They are from Chelsea, Michigan, famous for its Jiffy Mix made at the biggest local employer Chelsea Milling Company. Bob served 6 years in the Army Reserve and was employed for 32 years at Ford working in the engineering department as well as management. Joan was a high school English teacher for 7 years, stay-at-home mom, and real estate broker. They have 2 children and 3 grandchildren. Joan enjoys sewing, reading, knitting and crochet and is currently doing book editing for her friend who is an author. Bob enjoys golf, stock trading, construction projects, exercising and walking. Both enjoy traveling and were involved with SOWER (Servants on Wheels Ever Ready) Ministry for 20 years. SOWER is a Christian couples RV work ministry which provides volunteer help to other Christian ministries. Bob's sister, Joyce Mays, also lives in the park and was an influence on them choosing Golf Lakes as their winter home.

They are part-time residents and were interviewed by Susan & Milton Christy.

Randy and Christie Egtvedt bought their home at **409 49th C Ave E** on-line in 2020. They will be seasonal residents and hail from Grand Rapids, MI. Randy is self-employed doing insulation and environmental work such as abatements. Christie was employed as a residential house cleaner. They have a blended family of 7 children, 14 grandchildren and 1 great-grandchild. Randy is an outdoorsman who enjoys trap shooting, hunting and fishing. Christie enjoys crafts and is an on-line buyer and seller through her business/hobby, Christie's Cottage. They are members of the Moose Club and are also very active in their home church, First Byron CRC. How they landed in Golf Lakes is an interesting story. They were driving up from Marco Island and touring mobile home parks along the way. They stopped in a park nearby and were just driving through when they saw a resident out walking. They rolled down their window and asked how she liked living there. She replied that she hated it and after telling them why, she said, 'if I could I would move to Golf Lakes.' So, they came to Golf Lakes and knew upon driving into the gates that she was right. There was nothing for sale at the time that met their needs, but they continued to look on-line until this home became available and here they are. Please welcome Randy and Christie to Golf Lakes. They were visited by Dick and Karla Blevins.

Miguel and Debbie Arango reside at **5112 8th B St**. They are here from Milwaukee, Wisconsin, near Lake Michigan. Miguel is a retired robotics engineer for Harley Davidson. Debbie retired from Harley Davidson as well and was an engine repair technician. They have 2 children and 2 grandchildren. They both fish, garden, golf and love traveling, having traveled to places around the world while employed. They visited yearly with Debbie's parents, Don and Betty Eilers and decided to purchase after they retired. They will be part-time residents. They were interviewed by Susan & Milton Christy.

Plan Now on Doing This!

Peace Officers Memorial Day and Police Week is an observance in the United States established in 1962 by President Kennedy and pays tribute to local, state, and federal peace officers who have died or have been disabled in the line of duty. The formal memorial is on May 15, and Police Week is the calendar week in which the memorial falls.

Several retired Peace Officers residing in Golf Lakes have gotten together and are planning a special ceremony commemorating this day and week. On Monday, May 15, there will be a ceremony at the flag beginning at 11:00 AM. The program will then continue in the Clubhouse until 1:00 PM.

Please plan to join them for this special event. If you have any questions or would like to help with the program, please contact Brent Mitchell or Charles Battleson.

By the Editor on behalf of Brent Mitchell

We are looking forward to continuing Vespers next season. We plan to start the Sunday evening Vesper services on December 3, 2023.

We are, however, in need of more pianists and musicians to accompany our singing. If interested, please contact Ruth Klungle. With more musical support, Vespers could start in November as in the past.

Thank you in advance and thank you to our current musicians.

4. Clarify what Board contains specific details and/or sign-up sheets.
5. Should be in a format similar to what may appear as Ch732 announcements (short & concise)

THE WELCOME COMMITTEE

ATTENTION NEW RESIDENTS

The Activities Committee has a **New Resident Welcome Committee** and we would love to talk to you. The Committee shares information about our Park, provides you with a voucher for a free safety vest, a "New Resident Handbook" and a Pictorial of the residents in the Park. A short interview provides the opportunity for your formal introduction to the Park. At a minimum, the meeting with the Committee results in your introduction in the Banner. A New Resident listing appears most months in the Banner (*see this month's intros elsewhere in this issue*). You would be surprised the number of times our new residents have found folks from their own state or even their city through the Banner introduction. At this time, the Committee is working hard to get caught up with interviews due to the large number of new residents. If you would like an "Official Greeting" to Golf Lakes, sign up on the New Resident sheet on Board 2 in the Clubhouse or call Terry Keller at 269-953-2431. Arrangements will be made for your official welcome.

AND ACCURATELY P-R-I-N-T NAMES OF PLAYERS AND THEIR SCORES.**

All card-playing groups are encouraged to provide your scores for publication. However, if you want your scores printed in the Banner, score sheets used must be the current form and it must be signed with a phone number provided.
