PRAYER FOR PROTECTION FROM HURRICANES

God, our Father, Creator of the Universe, You have set the earth on its foundation and all the elements of nature obey your command.

We humbly beseech You to keep us safe from all dangers and calm the storms which may threaten us. May we be secure in Your loving protection and serve You always with grateful hearts.

We ask this through Jesus Christ, Your son, who lives and reigns with You and the Holy Spirit, one God forever and ever. **Amen**

LETTER FROM THE PRESIDENT

With the majority of the winter residents in their northern homes the park is really getting quiet.

The paving for 2023 is scheduled to begin May 31st and then lining of the sanitary sewer lines will start June 3rd. Both projects' completion depends on good weather, so we really hope they get done this month.

Our new manager, Tracy Roux, is getting acquainted with Golf Lakes. She is proving to be a good manager and doing a wonderful job. I enjoy working with her.

This month will be Pam's last month as Manager of Golf Lakes. Her last day will be June 30th. If you see Pam, wish her good luck on her retirement. She will be missed. You may see her in the park as she will be helping out in the Realty office on a part time basis.

Nancy and I plan to take several trips this summer and explore Florida. There are 5 other directors living year-round in the park. They can assist you in my absence or you can call the office.

Prepared from information received from the Golf Lakes office. Any official changes should be directed to the office, not the Banner.

Schedule Now To Appear In The Banner

As you think about your activity schedule for the 2023-24 season, please review the information that currently appears on Scheduled for the 2023-2024 Season found in this issue to see if it is accurate of if it needs to be updated.

Then, please complete a Banner Submission Form (one is in this issue) if your group does not appear or if the information is incorrect. The information The Banner receives on these forms is for the monthly listing on the Daily Activity Schedule page and helps the Banner know when activities go on or off that page.

Even if your group has been meeting since the "beginning of time," it will NOT appear unless we receive your form. This includes <u>all</u> activities from ART to WOODCARVING and everything in between. Please make sure we get your listing so that all of our new residents are aware of your schedule!

The Banner does not have access to Hall scheduling and that's why we request our form be completed. Completed forms may be placed in the Banner box on the front of the sound booth or you may scan and email the form to the Banner at golflakesbanner@gmail.com. As a last resort, we will accept an email of all of the information requested on the Submission form.

Thank you for helping us to keep the information we print accurate and up to date.

Report

Tracy Roux, CMCA, AMS

With the park numbers slowly declining with the change of season, the office is ramping up to get our summer projects started. The first round of inspections was performed and all with open maintenance items have been notified. Inspections will continue monthly through the summer.

Additionally, summer projects will include paving, clubhouse floor polishing, new flooring in the shuffle storage and storage room A; exterior painting of the fitness/laundry building, adding pavers to the bridge cart path, and lining the sewer laterals which is a multi-year endeavor. We will e-blast details for any of these projects which may limit access or affect use of the areas.

As a reminder, the pool will be open all summer but will close for four to six weeks beginning October 2, to undergo renovations to the pool surface and replace aging equipment.

Housekeeping Reminder – If you are leaving the park for more than seven days during hurricane season, June 1 to November 30, you must remove <u>all</u> outdoor items prior to your departure. Water shut off is also mandatory when you leave. Failure to do either of these is subject to the Association performing these duties and charging the owner for the cost. The Association will not be responsible for any damage to personal property.

Any guest or guests occupying a unit in the owner's absence must register at the office. The owner is responsible for making sure their guests know the rules and regulations.

The Safety Committee and I would like to bring to your attention a new Manatee County program for the safety of all special needs residents during any storm requiring evacuation. Please see the hurricane preparedness article included in this issue and literature posted on the Safety bulletin board in the Clubhouse.

If there is anything that the staff and I can do for you, just give us a call or reach out via email to tracy@golflakes.com.

Saying Goodbye after 35 years

Cover Story

Most of you know Pam McFarland has been with us since 1988. She began as a part-time office assistant to computerize our office systems and had a background in accounting as well. Soon after, she became the office manager and then in 1999 she became the Park Manager after Michael Gist left. We have always been very fortunate to have employees with a great work ethic and have longevity and pride in the place they work.

Pam and her husband Emie (pictured below) came to Florida after they both got out of the Air Force and settled here. Ernie's family was here and Pam's joined her in relocating from Ohio. Pam and Ernie have two married children and eight grandchildren.

Did you know? On November 11, 1998 (see photo) she was interviewed and recognized with other Residents in the park on Veterans Day for her Service in World War II. Pam served in the Air Force from 1975 to 1981, first working in new pilot training in Texas, then in Oklahoma, helping AWACS radar plane refuel. "My parents couldn't afford to send me to college, this was a way for me to further my education." Golf Lakes was very proud 11/11/98 and joined in the celebration.

Since the beginning, Pam has been a loyal, caring and dedicated Park Manager overseeing every aspect of our park's operation. She has helped us grow and thrive beyond our expectations and wildest dreams, making this place a home for future generations to come. She cares for Golf Lakes and its residents like she cares for her own family. Many long-term residents have known her from the beginning of her career here and will miss her dearly, as evidenced by all the teary-eyed owners at her retirement party. Many of the new residents have just gotten to know what an amazing person she is and how much she is truly valued and loved and will be sad to see her go as well. During her time here she has worked side-by-side with her office staff and maintenance personnel making it a pleasant and comfortable place to work.

We hope you attended the 35th Anniversary and Retirement Party for Pam this March and were able to send her off with your best wishes, your funny stories and heartfelt memories of the years gone by.

We all wish her and her family the best in her retirement.

GREENS OF MANATEE

The Family Friendly Course Summer 2023

Play was very strong the first 4 months of the year but has slowed considerably as we get into the warm weather and folks have left for the north. For the golf course, summer and late fall will bring the challenges of storms and wet weather. We will soon move into the wet season and get the moisture we have needed so bad.

The rain and storms are good and bad for the course. With the moisture, the grass grows like crazy and the course is green and in great shape. On the down side, the course is closed an average of 69 days per year from storms and excess rain. Most of this occurs mid to late summer. Fortunately, summer is still a great time for golf with the course being less crowded and in great shape.

Effective May 1st, our discounted "all day" summer rates kicked-off. If you are still around, don't hesitate to stop over and play a round or stop in for a great breakfast or lunch. The Golf Lakes gate opens at 6:00 AM and the Snack Bar in the Clubhouse is ready to serve you.

As in the past, watch for the Greens of Manatee Saturday Scrambles. The scrambles continue throughout the summer depending on the weather. Signup is in the course Clubhouse. A reminder, the scrambles are open to all golfers regardless of skill level and they are always a lot of fun.

As a note, the course will close at 3:00 PM on any days when play is very slow. If you have any questions or want to check on early closing, give the course a call at 941-755-8888.

Thank you for supporting the Golf Course. Be sure to stay safe, healthy, and enjoy your summer.

In the Next Few Months!

Northeast Gathering Tuesday, Aug. 8, 2023 Lake George, NY

The 2023 Northeast Summer Gathering will be held at Lake George, NY and is open to folks from all states. There are plenty of things to do in the area so plan to stay for more than one day!

The gathering will be two-fold in order to give everyone a choice of activities.

The Luncheon will be at the Barnsider from 2:00 PM until 4:30 PM (menu at later date). We will have our own dining area and estimate the price to be around \$25 per person. We will have an outdoor patio as well for socializing.

A Scenic Sunset Cruise is also being offered on Lake George from 6:30 PM until 8:30 PM aboard the Lac Du Saint Sacrement. Snacks and drinks can be purchased onboard. The cost for the cruise is expected to be \$33 per person.

Although August is the height of the tourist season in this area, **Lodging** at a group rate is currently being held at the Mohican Resort and Motel (518-792-0474). Tell them you are with the Golf Lakes group. Book early!

NO UPDATES HAVE BEEN RECEIVED BY THE BANNER.

Call Duane or Kathy Frederick, Bette Buzzell, Rita Leipf, or Ellen Varney with any questions.

SOCIAL HOUR INVITATION

The Activities Committee is extending an open invitation to attend Saturday Social Hour. Golf Lakes has many new residents and it is important for everyone to be aware of our <u>Social Hour starting at 9:00 AM every Saturday in the Clubhouse.</u>

For a nominal fee of \$1.00 you get a seat, coffee, and a donut. It also provides the opportunity to meet new people and catch up on what is going on in the Park. In addition, there are special announcements made to keep everyone informed of club or committee activities in the park. Be sure to arrive a little early and come join us! If you have trouble finding a seat, look for the gentlemen wearing the funny red and white striped hats to assist you in finding a seat.

- 24 Nancy Hooker

As of 5/1/23

SOCIAL HOUR SHORT ANNOUNCEMENTS

Based on concerns about the length and content of announcements made during Social Hour, guidelines have been established to make the announcements shorter and more effective. If making an announcement, please adhere to the following for the benefit of all attendees.

- 1. Announcements should be short and concise.
- 2. Announcements are to inform and not to entertain.
- Be specific list dates, times, cost & contact person.
- Clarify what Board contains specific details and/or sign-up sheets.
- Should be in a format similar to what may appear as Ch732 announcements (short & concise)
- Announcements are for events and activities sponsored by Golf Lakes ONLY.
- Announcements should not be made more than 3 weeks ahead of the activity or event.

If you would prefer not to attend Social Hour but have an announcement, you <u>must</u> legibly write it out and have someone else make it for you or drop it off to the Emcee no later than 8:50 AM that morning and the Emcee will make sure someone makes the announcement.

ATTENTION NEW RESIDENTS

The Activities Committee has a New Resident Welcome Committee and we would love to talk to you. The Committee shares information about our Park, provides you with a voucher for a free safety vest, a "New Resident Handbook" and a Pictorial of the residents in the Park. A short interview provides the opportunity for your formal introduction to the Park. At a minimum, the meeting with the Committee results in your introduction in the Banner.

A New Resident listing appears most months in the Banner. You would be surprised the number of times our new residents have found folks from their own state or even their city through the Banner introduction. At this time, the Committee is working hard to get caught up with interviews due to the large number of new residents. If you would like an "Official Greeting" to Golf Lakes, sign up on the New Resident sheet on Board 2 in the Clubhouse or call Terry Keller at 269-953-2431. Arrangements will be made for your official welcome.

SOCIAL BENEFITS OF VOLUNTEERING

- Helps you meet new friends. Volunteering is a great way to meet new friends as well as strengthen existing connections with friends, family, and coworkers that you volunteer with.
- Increases your social skills. Volunteering gives you a chance to talk to new people and sharpen your social skills.
- Provides a sense of community. Volunteering can help you feel connected to those you are helping in the community.
- Improves self-esteem. Volunteering may boost your self-esteem and self-confidence. When you do something that you feel is worthwhile and valuable for the community, it gives you a sense of accomplishment.

GOLF LAKES NEEDS YOU TO VOLUNTEER!

Summer will soon be here, schools will be closing, and many of us will be heading north or taking a vacation. The GLW will NOT be collecting any items for Head Start in Storage Room B until October. DO NOT TAKE ANY ITEMS INTO THAT AREA OR LEAVE BAGS WITH ITEMS.

You may, however, save any of the following items at home and have them ready for us when we resume collections in the fall.

- Cardboard Paper Towel Rolls (not toilet paper!)
- Clean Egg Cartons (Styrofoam or cardboard)
- Empty Kleenex Boxes, flattened
- Large Detergent Bottle Lids/Caps (not bottles)
- Plastic Berry Baskets
- Plastic Square Food Containers (not Styrofoam!)
- · Fronts only of Greeting Cards
- Oatmeal/Chip Containers with Lids
- Candy/Cookie Tins

The same goes for any yarn or material you may have for our nursing home projects. Hold them at home until we resume collections. See adjacent article. →

Thank you for adhering to this request.

- Eugene Maddox, Oneco United Methodist Church, 2112 53rd Ave. E, Bradenton – services at 9:00 AM and 11:00 AM
- Jason Lane, Skyway Community Church, 512 61st St. E, Palmetto – service at 10:45 AM
- Dwain Kitchens, The Tabernacle Church, 4141
 Desoto Rd., Sarasota service at 10:15 AM Submitted by Carol Montgomery

SHARE YOUR EXPERTISE

Every year it is necessary for our Board of Directors to seek candidates to fill three open positions. Now is a good time for you to consider what expertise you may be willing to share with them.

Even if you don't think you will be a good fit for the Board, there are Standing and Operating Committees which probably have open positions. You just might be able to find a fit on one of those.

As you relax this summer, consider how you can work to benefit Golf Lakes during the 2023-24 Season.

ATTENTIION Golf Lakes Women's Club Crafters

If you have no cards to play and you are stymied as to what to do with your hands all summer, we are seeking ladies (and even men) who are interested in being handy by using donated yarns or linens.

There is always a need in nursing homes for these items – Bibs, Caps/Hats, Walker Bags, Shawls, Slippers, Scarfs, and Kleenex Holders. We'll give you patterns or directions as well as yarn or linens!

If you can help us by making items this summer, it would be greatly appreciated. Please contact me immediately if you can help during the summer.

SUB-FLOOR & FLOORING EXPERTS!

LOOKED UNDER YOUR MOBILE HOME LATELY?

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety, The Florida Anchor & Barrier Team

WE CAN FIX YOUR SOFT FLOORS!

WE ALSO SPECIALIZE IN MOBILE HOME FLOORING REPAIRS. AND LAMINATE FLOORING.

IN CASE OF A HURRICANE

BE PREPARED IN ADVANCE OF THE STORM

Hurricanes are strong storms that cause life and propertythreatening hazards. Preparation is the best protection against the dangers of a hurricane.

Know the Difference: Hurricane Watch means conditions are a threat within 48 hours. Hurricane Warning means conditions are expected within 36 hours.

As the Storm Approaches

- · Listen for weather updates and latest information
- Remember that hurricanes are unpredictable and can suddenly change track
- If flooding threatens, get to higher ground; avoid flooded areas and rapidly moving water
- Make sure you have supplies and a plan for a possible evacuation
- Turn refrigerator and freezer setting to the coldest settings and avoid opening doors in case of power outage
- · Refill prescriptions so you have at least a 2-week supply
- · Clear your yard of potential airborne missiles
- · Protect your windows and doors as well as possible
- Fill your car's gas tank and check car's water, oil and tires
- Have sufficient cash on hand without electricity, stores will not be able to take credit cards or checks
- Make sure any debris is away from storm drainage areas

In Case of Evacuation

Because you live in an evacuation area/mobile home, when an evacuation order is given, don't panic. Move at a steady pace and ensure you leave enough time to get to where you will weather the storm. DO NOT take chances with your life by staying at home or waiting until it's too late!

- Make sure your destination is not within a zone that has been ordered to evacuate.
- Take enough supplies for your family.
- Take important papers, including your driver's license, special medical information, insurance policies and your insurance agent's name and number and property inventories.
- Also take irreplaceable items, such as photos or keepsakes.
- · Let friends and relatives know where you are going.
- Make sure your neighbors have a safe ride.
- Turn off your electricity, water and gas if officials tell you to do so.
- Lock your windows and doors.
- Stay tuned to your local radio and TV station for emergency broadcasts.

- Move inland away from the storm surge and inland flooding – plan on 10's of miles and not 100's so you don't get caught in traffic without a safe refuge.
- Make hotel/motel reservations well in advance somewhere NOT in an evacuation zone.

Evacuation Reminders

Manatee County residents are encouraged to stay with friends, family members or in hotels/motels located outside the predicted flooding areas or surge zones. If these options aren't available, you can use Manatee County shelters as a last resort.

You DO NOT have an assigned shelter! Any open shelter near your home will accept you as a refugee from the storm and assist you and your family. Manatee County shelters are opened depending on the direction and size of the storm. This gives Emergency Management teams the flexibility to protect as many people as possible.

If you go to a shelter, your comfort will depend on what you can carry. Lawn chairs, cots and small folding tables are a good idea. Obey the instructions of local authorities. Travel light, but carry essentials and valuables. Load your hurricane survival kit and other supplies in your vehicle. Pets are not allowed in any Manatee County shelter with the exception of seeing-eye dogs.

Keep Pets Safe

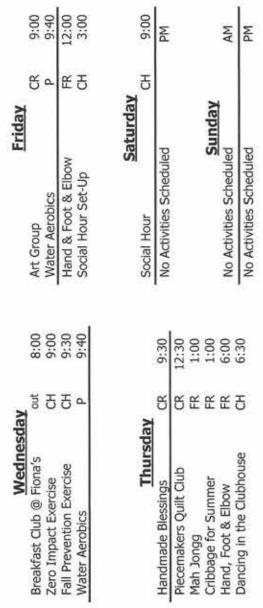

As stated above, the only pets which are allowed in any Manatee County shelter are seeing-eye dogs. Therefore, you must plan ahead for the evacuation of your pets. Make sure your pet has had all shots within the past 12 months! Petfriendly boarding facilities or shelters and possibly hotels/motels will require proof of vaccinations.

Special Needs Program

Manatee County has a 2-part Special Needs Program which includes transportation assistance as well as a medical special needs shelter. Free transportation assistance is available to any Manatee County resident who needs a ride to a general shelter during an evacuation event. The medical special needs shelter is available for those who need medical assistance and cannot stay at a general shelter but do not require hospital or nursing care. These persons can also receive transportation assistance. You must preregister for either or both programs every year. People who are pre-registered as a Special Needs Program client must be ready to evacuate, with their recommended evacuation kit, including all medicine, special dietary items, bedding and medical supplies. Shelter life can be very difficult and it is suggested that you attempt to make alternative plans before applying for either program. Call Emergency Management at 941-748-4502 with questions.

Be prepared and not caught unaware!

IN CASE OF A HURRICANE

PLANNING AHEAD

Help Your Neighbor Or Have a Buddy System

People who are disabled or in poor health (either mentally or physically) or those who are without the support of family or friends should plan ahead for an emergency. They may need special assistance from family members, friends, neighbors or social service agencies. Please ask for help if you need it and volunteer to help those who do.

- Remember, too, that older adults who are also caregivers may require outside assistance. Excessive stress and anxiety can contribute to increased episodes of illness, particularly for persons with heart disease and other illnesses.
- If an older adult lives in a nursing home, assisted living facility (ALF) or residential facility, the administrator should be contacted to learn about the disaster plan for that facility.

Home Healthcare & Homebound Patients

- Tell your home health agency and oxygen supplier where you will be during a hurricane. Ask them about their plans to provide care. If you are homebound, but not under the care of a home health agency, contact your physician to determine your best plan of action.
- If you require respirators or other electric-dependent medical equipment, you should make medical arrangements with your physician. You should also register with your local power company.
- If you evacuate, remember to take medications, written instructions regarding your care, special equipment and bedding with you.
- If you will need assistance in an evacuation or need to go to a special needs shelter, please register NOW with your County Emergency Management Agency.
- Special needs shelters do not provide hands-on medical care, only medical monitoring. Bring one caregiver with you.
- If you require hospitalization, you must make prior arrangements through your physician.

We Need Your Help to Reduce Recycling Contamination

Golf Lakes encourages residents to focus on five basic recycling materials – plastic, metal, glass, cardboard, and paper. The goal is to raise awareness about good recycling habits. Below is a list of troublesome materials that should not be placed in the recycling bins:

- No Styrofoam, plastic bags, plastic hangers, extension cords or garden hoses
- No pots/pans, auto parts, fencing, wire, or metal hangers
- No wrapping paper, napkins, or paper towels
- No garbage, yard waste, wet or soiled cardboard (NO PIZZA BOXES)
- No broken glass, drinking glasses, light bulbs or mirrors

Placing improper items in the recycling bins contaminates the materials making them unrecyclable. Placing items such as plastic bags, extension cords, wire, etc. in the bin contributes to contamination. If the contamination is not identified by Golf Lake's staff prior to arriving at the recycling facility it causes problems such as jamming and damaging sorting equipment. Not only can equipment be damaged but the amount of recycles that can be successfully recovered is reduced.

It is incumbent upon Golf Lakes residents to follow all recycling requirements. If you ever have any questions as to recycling requirements, please contact the office or one of the Green Committee members listed in the directory.

CRUSH BEFORE RECYCLING!

We certainly appreciate our residents putting their aluminum cans in the correct bin. The "Aluminum Only" bin is the only recycling stream that generates revenue for Golf Lakes. There are literally thousands of cans not being crushed each month! One uncrushed can takes up the space of six or seven crushed cans. (NOTE: While some containers will not fit into the crusher they can easily be folded in half. Try it!)

If each resident crushed their cans prior to tossing into the bin we could realize a substantial cost savings by reducing our trips to the recycling center. One has to wonder how much money we could save on gas, staff hours and vehicle wear and tear if we all did our part and crushed our cans. What a savings! Let's all pitch in and do our part to help make our recycling center as efficient as possible. Thank you!

NEW HOME PLACEMENT COMMITTEE REMINDER

One mandate of the New Home Placement Committee is that we are responsible, along with the Park Manager, for determining that modifications to the exterior of existing homes shall comply with the rules as set forth by the Board of Directors. No construction of any new structure or additions to existing structures, or any painting, is to commence prior to submitting drawings and specifications to the Manager and obtaining written approval to proceed with the construction.

Regulations are in place concerning paint colors. Our committee modified the acceptable colors, and these were approved by your Board of Directors earlier this year. If you are planning to repaint, please check to be sure your color is still on the approved list. Samples of approved colors can be obtained in the Golf Lakes Office. More specifics regarding colors can be found in section VII. THE MOBILE HOME of the next issue of the GL directory.

RECYCLABLE MATERIALS

Many glass, cardboard and plastic items can be recycled. Plastic bags and Styrofoam cannot be recycled by Manatee County and should not be placed in the Golf Lakes recycling bins.

The following materials are recyclable in Manatee County (all food and beverage containers should be rinsed):

- Newspapers, Junk Mail, shopping ads, windowed envelopes, magazines and paperback books
- Office and computer paper (all colors) not shredded
- Phonebooks, greeting cards, brown paper bags
- Non-corrugated card stock (cereal, crackers, frozen food and soda boxes) broken down
- Corrugated Cardboard (must be broken down and placed in the recycle bin.)
- Glass bottles and jars (all colors)
- Aluminum and steel cans (soup and vegetable)
- Plastic bottles (with or without caps) and containers
- · Milk, water and juice cartons
