Progress is Not always a good thing

^{Aug. 13, 95} Ninth Street work will irk residents

An \$8.5 million project to widen two sections of Ninth Street East is scheduled to begin in about three months.

MICHAEL MORRISSEY
Herald Staff Writer

J.W. Branan retired to his long-time home on Ninth Street East, figuring to wile away the time planting shrubs and flowers to spruce up his front lawn.

He didn't foresee that nearly half of his yard would be taken away a few years later for a widening of the street.

"I was fixing it up real nice," Branan said as he stood on his neatly manicured grass. "This kind of took the wind out of it."

Much of Branan's yard work will be torn out when the first phase of an \$8.5 million Manatee County project to widen two sections of Ninth Street East begins in about three months.

The first phase covers Ninth Street between U.S. 301 Boulevard and 53rd Avenue West and will cost about \$4.5 million to widen the

PRAYER FOR PROTECTION FROM HURRICANES

God, our Father, Creator of the Universe, You have set the earth on its foundation and all the elements of nature obey your command.

We humbly beseech You to keep us safe from all dangers and calm the storms which may threaten us. May we be secure in Your loving protection and serve You always with grateful hearts.

We ask this through Jesus Christ, Your son, who lives and reigns with You and the Holy Spirit, one God forever and ever. **Amen**

LETTER FROM THE PRESIDENT

Hello, Golf Lakes residents. We hope you are all enjoying your summertime. July 1st marks the half way of 2023. Hard to believe, time has flown here.

This is a short update on the summer work in the park. The paving is finished and looks good. The "French drain" along the east side of 5th Street from 49th Ave Drive East to the catch basin at 49D Avenue East is completed. The contractor installed clean outs every 100 feet; in the future we can have the line cleaned. It should not need to be replaced. The sanitary sewer line off of 52nd Avenue on either side of 4B Street are done also.

The floor in storage room A is finished. No more carpet on the floor. The floor in the shuffle court storage is done as well.

So far this year we have not had any storms and very little rain, which is good and bad! We still need the rain, but we definitely do not need or want any storms.

Pam is now officially retired. You will see her on occasion working in the Realty office. Tracy is doing a wonderful job, and I enjoy working with her. She is getting married this month!

Nancy and I hope everyone has a wonderful and safe summer.

Schedule Now To Appear In The Banner

As you think about your activity schedule for the 2023-24 season, please review the information that currently appears on Scheduled for the 2023-2024 Season found in this issue to see if it is accurate or if it needs to be updated.

Then, please complete a Banner Submission Form (one is in this issue) if your group does not appear or if the information is incorrect. The information The Banner receives on these forms is for the monthly listing on the Daily Activity Schedule page and helps the Banner know when activities go on or off that page.

Even if your group has been meeting since the "beginning of time," it will NOT appear unless we receive your form. This includes all activities from ART to WOODCARVING and everything in between. Please make sure we get your listing so that all of our new residents are aware of your schedule!

The Banner does not have access to Hall scheduling and that's why we request our form be completed. Completed forms may be placed in the Banner box on the front of the sound booth or you may scan and email the form to the Banner at golfcakesbanner@gmail.com. As a last resort, we will accept an email of all of the information requested on the Submission form.

Thank you for helping us to keep the information we print accurate and up to date.

FLORIDA ANCHOR AND BARRIER COMPANY

Manager's

Report

Tracy Roux, CMCA, AMS

The rains have finally come to Florida, along with the hot temperatures and humidity. If you are enjoying a much more temperate environment wherever you are summering, congratulations.

We completed the paving project for the summer and the sewer line lateral pipe lining is going smoothly. The flooring project will take place this week with the painting of the Fitness Center building scheduled for later this month. The drainage work on 5th is complete. Finally, the Association palm trees will be trimmed in August. Once a date has been scheduled, it will be announced on Channel 732.

With the new rainfall, weeds are sprouting up. Make sure someone is caring for your unit, if you are out of town. We will be out inspecting again this week.

We are officially in hurricane season and if you are away from your unit for more than seven days, **ALL** items must be stored or secured so they are not a threat to neighbors. Hopefully all those who need help have already arranged for shelter space and/or a ride in the event of an evacuation.

We hope you have a wonderful Fourth of July and be safe.

If there is anything that the staff and I can do for you, just give us a call or reach out via email to tracy@golflakes.com.

"Summer" Cribbage will be played in the Friendship Room from May through October. Play starts at 1:00 PM each Thursday. If you have never played Cribbage in the past or it's been a while, this may be a good time for you to join us and either learn or brush up on your skills. Everyone is welcome.

Dear Neighbors,

working with you was a great gratification and I'm going to miss you so much.

Goodbye!

Although I am leaving the position of Editor (not Golf Lakes), the email for the Banner will remain golflakesbanner@gmail.com and your new Editor is looking forward to working with each of you.

C.J. (Cathy) Woodman is in the Park Directory and her contact number is 260-271-9064.

Like me when I started, C.J. is a fairly new resident and hopes to keep the Banner organized and pertinent. Please support her endeavors.

Progress is not always a Good Thing

Cover Story

In 1995 the County decided to widen 9th Street and used Eminent Domain for the road to encompass part of Golf Lakes. The fence would have to be moved and many trees cut down, so they offered \$116,986 for the 1.7 acre strip of land. The BOD decided to initiate a lawsuit against the County for a better settlement and hired a lawyer. During that time the County moved forward with their plan causing lots of chaos and turmoil. So, three residents decided to record everything that was going on. They called themselves "*Frick, Frack and Flick*". Due to this turmoil the President started a new motto "*We will not get upset*" which became the motto during that time with painted posters and some humor. The lawsuit settled in 1996 for \$362,500 for damages securing a win for our Park.

Now that the 9th Street Project was completed it became evident that the increased traffic and noise became intolerable for those living along the fence that was moved closer to them. So, a committee was formed to visit other parks and examine their security walls. Once the BOD decided on what was best for Golf Lakes, the bidding started, and the project began in July of 1997. It was dedicated in January of 1998 at a cost of \$500,000 with no assessments to the residents. New home placements skyrocketed.

Other projects during this time still ensued with the expansion of the kitchen, the restrooms moved and enlarged, and the Fitness Center was enlarged and new equipment was added. Our Women's Club donated new appliances and the Shuffleboard Club donated a new microwave. When all was completed it added \$80,000 worth of new comfort and conveniences for us. Also, our own recycling center became operational, and 15 cul-de-sacs were resurfaced.

During the summer of 1999 the second phase of the huge water system improvement got underway with new pipes, hydrants, and a modernized lift station at a cost of \$210,000. The Beautification committee completed major work around the clubhouse, practice green, and other park areas inside and out. They added 35 Queen Palm Trees along our new 9th street wall. Thank you!

Funny antidotes

During these years we found ourselves with a 'skinny dipper' in the pool and a resident who decided to dig out the bushes around the clubhouse to re-plant them in his own yard. ☺ Of course, these were handled with discretion and not much upheaval.

Now to Celebrate

Golf Lakes celebrated the 10th Anniversary of the cooperative with a Gala in 1997. The clubhouse was turned into a ballroom with silver lined walls, live music, balloons, Hors D'oeuvres, punch, and desserts. Resident dressed in their finest attire and danced through the evening.

GREENS OF MANATEE

The Family Friendly Course
Summer 2023

Play was very strong the first 4 months of the year but has slowed considerably as we get into the warm weather and folks have left for the north. For the golf course, summer and late fall will bring the challenges of storms and wet weather. We will soon move into the wet season and get the moisture we have needed so bad.

The rain and storms are good and bad for the course. With the moisture, the grass grows like crazy and the course is green and in great shape. On the down side, the course is closed an average of 69 days per year from storms and excess rain. Most of this occurs mid to late summer. Fortunately, summer is still a great time for golf with the course being less crowded and in great shape.

Effective May 1st, our discounted "all day" summer rates kicked-off. If you are still around, don't hesitate to stop over and play a round or stop in for a great breakfast or lunch. The Golf Lakes gate opens at 6:00 AM and the Snack Bar in the Clubhouse is ready to serve you.

As in the past, watch for the Greens of Manatee Saturday Scrambles. The scrambles continue throughout the summer depending on the weather. Signup is in the course Clubhouse. A reminder, the scrambles are open to all golfers regardless of skill level and they are always a lot of fun.

As a note, the course will close at 3:00 PM on any days when play is very slow. If you have any questions or want to check on early closing, give the course a call at 941-755-8888.

Thank you for supporting the Golf Course. Be sure to stay safe, healthy, and enjoy your summer.

A decorative border of pink tulips with green leaves frames the text on the page.

Dear Golf Lakes Residents,

Golf Lakes was a literal answer to my prayers. As a young Mom of two, who were heading off to elementary school, I needed a part-time position that would allow me the same hours as they were in school. I prayed for a position that would allow me to learn new skills, grow in my career and especially where integrity was a priority. The office manager of Golf Lakes offered me the office assistant job and the rest as we say is history.

For the last 35 years, Golf Lakes has always been one of the top 10 things in my life that I am most thankful for. (That would be counting my 8 grandchildren as one). The advancements and benefits given to me by Golf Lakes has allowed for my husband and I to provide a wonderful life for our family.

I am excited for this new chapter in my life and hope to do so many things that not having a full-time job allows. For example, I plan to volunteer at our church, travel to new places for new experiences and continue to build strong relationships with those whom I am closest to. I have had the pleasure of seeing retirement life at its best here at Golf Lakes and plan on following your fine example.

On behalf of my family and from the bottom of my heart, thank you Golf Lakes and may God continue to bless your community.

GOLF LAKES SOCIAL GATHERINGS

POTLUCK DINNERS 2023-2024 WINTER/SPRING Activities Committee

We are pleased to announce that Monthly Potlucks will be on the schedule for the 2023-2024 season. They are scheduled for the third Wednesday of January, February (Golden Butterflies), March, and April. Holiday Potlucks will be held in November and December as well as one for Easter.

The signup sheets for each dinner will be on Board 2. Activities provides the drinks for regular Potlucks and a \$1.00 donation per person is requested. Special notice will be given regarding Holiday Potlucks.

SOCIAL HOUR INVITATION

The Activities Committee is extending an open invitation to attend Saturday Social Hour. Golf Lakes has many new residents and it is important for everyone to be aware of our Social Hour starting at 9:00 AM every Saturday in the Clubhouse.

For a nominal fee of \$1.00 you get a seat, coffee, and a donut. It also provides the opportunity to meet new people and catch up on what is going on in the Park. In addition, there are special announcements made to keep everyone informed of club or committee activities in the park. Be sure to arrive a little early and come join us! If you have trouble finding a seat, look for the gentlemen wearing the funny red and white striped hats to assist you in finding a seat.

SOCIAL HOUR SHORT ANNOUNCEMENTS

Based on concerns about the length and content of announcements made during Social Hour, guidelines have been established to make the announcements shorter and more effective. If making an announcement, please adhere to the following for the benefit of all attendees.

1. Announcements should be short and concise.
2. Announcements are to inform and not to entertain.
3. Be specific – list dates, times, cost & contact person.
4. Clarify what Board contains specific details and/or sign-up sheets.
5. Should be in a format similar to what may appear as Ch732 announcements (*short & concise*)
6. Announcements are for events and activities sponsored by Golf Lakes ONLY.
7. Announcements should not be made more than 3 weeks ahead of the activity or event.

If you would prefer not to attend Social Hour but have an announcement, you must legibly write it out and have someone else make it for you or drop it off to the Emcee no later than 8:50 AM that morning and the Emcee will make sure someone makes the announcement.

THE WELCOME COMMITTEE

ATTENTION NEW RESIDENTS

The Activities Committee has a **New Resident Welcome Committee** and we would love to talk to you. The Committee shares information about our Park, provides you with a voucher for a free safety vest, a "New Resident Handbook" and a Pictorial of the residents in the Park. A short interview provides the opportunity for your formal introduction to the Park. At a minimum, the meeting with the Committee results in your introduction in the Banner.

A New Resident listing appears most months in the Banner. You would be surprised the number of times our new residents have found folks from their own state or even their city through the Banner introduction. At this time, the Committee is working hard to get caught up with interviews due to the large number of new residents. If you would like an "Official Greeting" to Golf Lakes, sign up on the New Resident sheet on Board 2 in the Clubhouse or call Terry Keller at 269-953-2431. Arrangements will be made for your official welcome.

LOOKED UNDER YOUR MOBILE HOME LATELY?

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

IN CASE OF A HURRICANE

AFTER THE STORM

When the 'All Clear' Sounds

Remember that "All Clear" indicates that the emergency or storm is over. It does not mean that you are cleared to return to your home. You need to listen to local authorities for authorization to return to a specific area. The Manatee County Citizen Information Center can be reached at 941-748-4501 for local information and assistance.

After a disaster, you may be without power and many of the services you rely on, including water, sewer, phone, cell phones, businesses, etc. Immediate response may not be possible, so you must be prepared to be self-reliant.

Once you determine that you can go home, gather all your belongings, and clean the shelter area used. **BE SURE YOU HAVE YOUR GOLF LAKES MEMBERSHIP CARDS TO GET BACK INTO THE PARK.**

Upon Returning

- Consider procurement of needed supplies and food before returning to your home.
- Inform your next of kin of your return home and how you are doing.
- Do not touch loose or dangling electrical wires. If you notice such problems, do not turn the power on and report this condition to proper authorities.
- Do not wade or drive in flood waters.
- Beware of outdoor hazards (snakes, strayed animals, and other critters). Be alert for potholes, sinkholes, structural damage, etc.
- Do not drink County/City tap water until official word comes that it is safe to do so. Use bottled water from the hurricane survival kit or purchase additional water if possible.
- Guard against spoiled food. If there is any doubt, discard. It is better to be on the safe side.
- Do not "sightsee". This only hampers recovery efforts.
- Report all unsafe conditions to the proper authorities.
- If personal damage to your household goods is encountered, contact your insurance carrier as soon as possible.

Insurance Guidelines

Immediately report property damage to your insurance agent and company.

Your company will issue a special reference number for your claim -- Write it down! Keep this number close by in all your dealings with the company.

Recognize that three different types of adjusters handle claims.

An adjuster often participates in claim, loss or damage settlement. An adjuster must hold a proper license from the Department of Insurance to perform work in Florida. The three kinds of adjusters are:

- **Company adjusters**, who work as insurance company employees
- **Independent adjusters**, who usually work as employees of independent adjusting firms which contract with your insurance company to handle claims
- **Public adjusters**, who do not work for insurance companies or independent adjusting firm. Public adjusters are self-employed, or work in association with a public adjusting firm. Public adjusters contract with the insured to help them settle their claims with insurance companies and are paid by receiving a negotiated percentage of the claims settlement. This means that if you contract with a public adjuster, you must share a portion of your settlement with that public adjuster.

All adjusters are required to adjust your claims strictly in accordance with your insurance contract, and in compliance with the Florida Insurance Code. All adjusters must comply with the "Adjusters Code of Ethics" contained in the Department of Insurance rules. Be sure to see the adjuster's license identification.

Make emergency repairs and document them.

Your policy probably requires you make emergency repairs to prevent further damage to your home or contents. You may need to use plywood or tape to stop rain from entering holes caused by the debris hitting your home. Keep all receipts and take photos of the damage, before and after the repair, to submit with your claim.

Beware of fraud.

Insurance fraud cost Florida families thousands of dollars each year. If you suspect insurance fraud call the Fraud Hotline at 1-800-378-0445.

Safety is your first priority!

In the Aftermath

Although the storm has passed, there are many dangers that still exist. Take the proper precautions to prevent further crises. If you have any doubts about safety, err on the side of caution.

Relief supplies and other aid will be arriving as quickly as possible following a major hurricane. Insurance companies will send special disaster teams, as will the state and federal governments and a host of private organizations.

It may take several days, however, for them to arrive at the disaster site. Not only does it take time to gather and load the unique supplies that this area may require, but roadways may be blocked by debris or be unsafe for travel. This is why it is imperative that you have enough food and water supplies available for your family's needs for 3 days.

Safety Concerns

Just because you've survived a hurricane, doesn't mean all the health and safety concerns have passed. Here are some important points to keep in mind.

Health Care: The operation of medical facilities and hospitals may be limited. Stay tuned to your local news team for more medical information.

Food Safety: Food that has not been refrigerated for 2 hours or more, has an unusual odor, color or texture and is no longer cool to the touch is unsafe. When in doubt, throw it out.

Drinking Water: Never assume that public water is safe to drink. Use bottled water for cooking, eating and drinking until there are public announcements about water safety. If bottled water is not available, boil tap water rapidly for at least one minute.

Hand Washing/Sanitation: Wash hands often with soap and clean water or use an alcohol-based hand sanitizer to decrease the risk of illness.

Mold: Molds are fungi that can be toxic and cause severe reactions in many people. Don't underestimate the health hazards that mold presents.

Mosquitos: Heavy rains and flooding lead to an increase in the mosquitos. Public health authorities recommend you avoid the outdoors from Dusk to Dawn, dress in long pants and long sleeves, use repellent with at least 30% DEET, and dump standing water where mosquitos can lay eggs.

Carbon Monoxide: Do not burn charcoal, gas grills, or gas-powered generators indoors.

Know where to get help and how to stay safe!

SOCIAL BENEFITS OF VOLUNTEERING

- Helps you meet new friends. Volunteering is a great way to meet new friends as well as strengthen existing connections with friends, family, and co-workers that you volunteer with.
- Increases your social skills. Volunteering gives you a chance to talk to new people and sharpen your social skills.
- Provides a sense of community. Volunteering can help you feel connected to those you are helping in the community.
- Improves self-esteem. Volunteering may boost your self-esteem and self-confidence. When you do something that you feel is worthwhile and valuable for the community, it gives you a sense of accomplishment.

GOLF LAKES NEEDS YOU TO VOLUNTEER!

Summer will soon be here, schools will be closing, and many of us will be heading north or taking a vacation. The GLW will **NOT be collecting any items for Head Start in Storage Room B until October. DO NOT TAKE ANY ITEMS INTO THAT AREA OR LEAVE BAGS WITH ITEMS.**

You may, however, save any of the following items at home and have them ready for us when we resume collections in the fall.

- Cardboard Paper Towel Rolls (not toilet paper!)
- Clean Egg Cartons (Styrofoam or cardboard)
- Empty Kleenex Boxes, flattened
- Large Detergent Bottle Lids/Caps (not bottles)
- Plastic Berry Baskets
- Plastic Square Food Containers (not Styrofoam!)
- Fronts only of Greeting Cards
- Oatmeal/Chip Containers with Lids
- Candy/Cookie Tins

The same goes for any yarn or material you may have for our nursing home projects. Hold them at home until we resume collections. See adjacent article. →

Thank you for adhering to this request.

**SHARE YOUR
EXPERTISE**

Every year it is necessary for our Board of Directors to seek candidates to fill three open positions. Now is a good time for you to consider what expertise you may be willing to share with them.

Even if you don't think you will be a good fit for the Board, there are Standing and Operating Committees which probably have open positions. You just might be able to find a fit on one of those.

As you relax this summer, consider how you can work to benefit Golf Lakes during the 2023-24 Season.

Submitted by a Committee Chairperson

ATTENTION Golf Lakes Women's Club Crafters

If you have no cards to play and you are stymied as to what to do with your hands all summer, we are seeking ladies (and even men) who are interested in being handy by using donated yarns or linens.

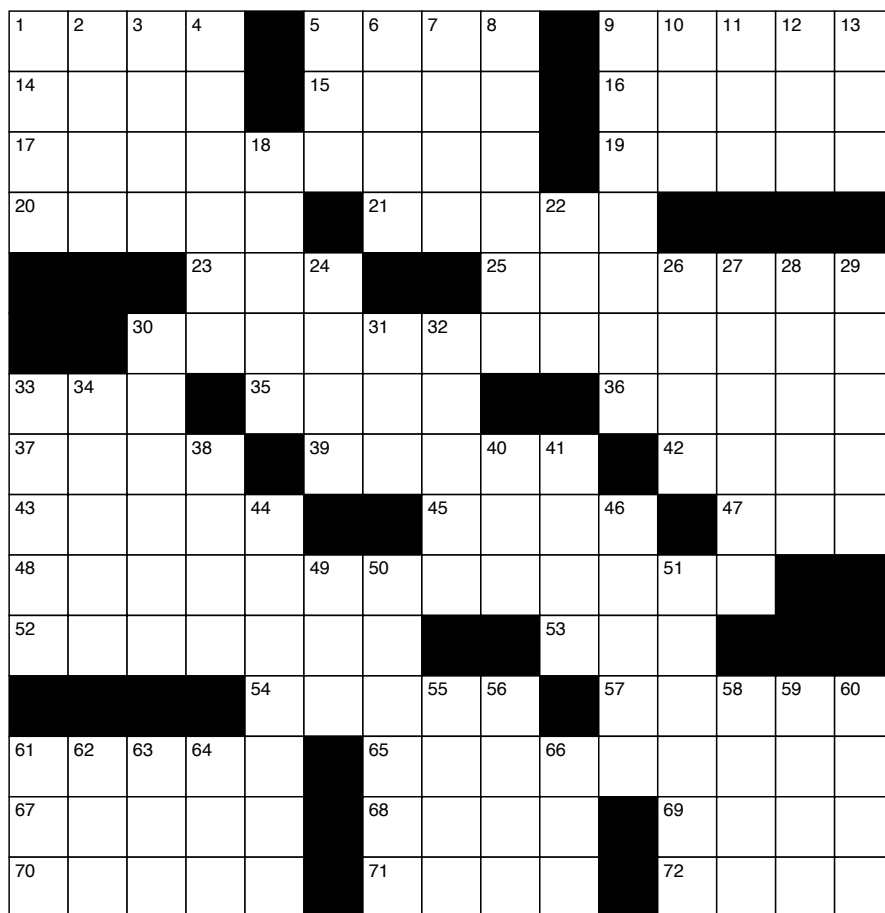

There is always a need in nursing homes for these items – Bibs, Caps/Hats, Walker Bags, Shawls, Slippers, Scarfs, and Kleenex Holders. We'll give you patterns or directions as well as yarn or linens!

If you can help us by making items this summer, it would be greatly appreciated. Please contact me immediately if you can help during the summer.

Updated January 17, 2023 by the Golf Lakes Office.

CRUSH BEFORE RECYCLING!

We certainly appreciate our residents putting their aluminum cans in the correct bin. The "Aluminum Only" bin is the only recycling stream that generates revenue for Golf Lakes. There are literally thousands of cans not being crushed each month! One uncrushed can takes up the space of six or seven crushed cans. (NOTE: While some containers will not fit into the crusher they can easily be folded in half. Try it!)

If each resident crushed their cans prior to tossing into the bin we could realize a substantial cost savings by reducing our trips to the recycling center. One has to wonder how much money we could save on gas, staff hours and vehicle wear and tear if we all did our part and crushed our cans. What a savings! Let's all pitch in and do our part to help make our recycling center as efficient as possible. Thank you!

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Firecrackers

by Lenore Hetrick

For a way to show your feelings -
And be very nicely heard!
On the glorious Fourth, I think,
That "firecrackers!" is the word.

Yes, big and noisy red ones that
Explode with high and mighty bang,
And if the neighbors glare, well, I
Just simply do not give a dang!

And then the soaring rockets that
Burst into stars against the sky.
I think they're simply grand and when I
See them flare I give a cry.

And oh, the lovely pinwheels that
Are whirling rings of flame and fire,
Some of them like roses that
Can change to golden magic spire.

I could spend an hour just telling
Of the various kinds there are.
Snakes! And birds! And flying flags,
And firecrackers brighter than any star.

But I'll finish up by saying
What you, of course, have often heard.
On the glorious Fourth I'm here to say
That "firecrackers!" is the only word!
