## Welcome to November, better known as Turkey Month !

November is the start of our Communication Meetings. Our first meeting will be November 6<sup>th</sup> at 7 PM in the clubhouse. If you have not met our new manager, Tracy Roux, this will give you an opportunity to do so. I enjoy working with her. She and I will give you information on what has happened in the past few months and what will be coming up. We will also have a few guest speakers.

By now, the Board has had 2 Board meetings. These are held on the 2<sup>nd</sup> and 4<sup>th</sup> Thursday of each month at 9 AM in the Board Room. Any resident is welcome to attend. This month the 4<sup>th</sup> Thursday is on Thanksgiving. WE may or may not have a Board meeting on the Wednesday before Thanksgiving.

By now, the palm trees have been trimmed and they do look a lot better. We were about 2 months late this year because our normal tree trimming company went out of business. The owner retired so we had to find someone else.

Nowadays, there is a lot of property fraud. Our County Clerk has established a website you can go to – [www.manateeclerk.com/online-services/property-alerts](http://www.manateeclerk.com/online-services/property-alerts). This is a free service where you register to receive alerts if anyone tries to change your property ownership. The registration will help to protect you from fraud. I am suggesting that you sign up to protect yourself from losing your property. My wife did sign up.

We are looking for candidates to run for the Board. If you are interested, go to the office and pick up a form, fill it out, and return it along with a 1-page resume. These must be returned no later than January 3<sup>rd</sup>, 2024. Any owner can run for the Board.

My wife and I hope that our returning residents have a safe trip. We are looking forward to seeing all of you.

Happy Thanksgiving everyone.

## Keep Your Property Safe

*See Something Say Something*

- ⇒ Lock your cars, golf carts, bikes, and doors
- ⇒ Turn on your yard lights at night (even when away)
- ⇒ Call 911 (*not your park representatives*) and report any suspicious activity, solicitors, vehicles, etc...

## DON'T FORGET

Office Closed

Thursday and Friday, November 23<sup>rd</sup> and 24<sup>th</sup> for the Thanksgiving Holiday.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

## Report

It is good to have most everyone back at Golf Lakes. Remember to do a full inspection of your property and take care of any needed maintenance such as cleaning or painting your siding and awnings, cleaning dirty border material, and address any needed landscape maintenance.

While the Tie-Down Program stalled over the summer due to Storm Ready staffing issues, they are planning to host another meeting with Golf Lakes residents to answer all remaining questions before re-starting in the park. We will post notice once they have provided us a day and time for the meeting.

Hopefully everyone has turned in their Lawn Maintenance contracts with Arbor Landscape. They were due November 1. Please remember if you have elected for Arbor Landscape to take care of your lawn; per the contract, you are responsible to protect your siding, air conditioners and any wires from damage.

The first communication meeting is scheduled for Monday, November 6th. Please plan to attend all of these meetings which are held the first Monday of every month, November through April at 7 p.m. These meetings provide information about the business of the Association.

The proposed 2024 Budget has been distributed to residents. Mark your calendars for the Budget and Communication Meeting, Monday, December 4th at 7:00 p.m. The proposed 2024 Budget will be reviewed and adopted at this meeting, please bring your copy of the budget with you.

Reminder: Garbage must be out by 7:30 a.m. Tuesday and Friday. Trash has to be in bags and must weight no more than 40 pounds. If your trash is not picked up, it may mean it is not acceptable for pick up based on weight or size.

Non-household trash requires a special pick up and landfill dump. The cost is based on a per piece charge; contact the office for pricing and payment. These special pick-ups are the third Tuesday of every month. You need to schedule and pay at the office prior to pick up day.

Yard Waste is collected on normal trash days but **MUST** be placed in **clear** yard trash bags and weigh no more than 40 pounds. Bags are available for sale in the office for \$1.50 per dozen. The use of clear bags identifies it as yard trash, which cannot be placed in the compactor.

Building materials and/or yard waste is not allowed in the barn and recycling area. Contractors must remove all debris and waste when they are hired to work in the park.

Please recycle responsibly and understand which items are acceptable. Avoid recycling during weekends by recycling Monday through Thursday, so that the bins do not overflow during the weekend. The maintenance staff and volunteers should not have to sort unacceptable items out of the recycling bins.

The office will be closed Thursday and Friday, November 23<sup>rd</sup> and 24<sup>th</sup> for the Thanksgiving Holiday. Happy Thanksgiving to all of our residents.

Final reminder: No pets may visit with unit owners. If your guest requires an animal due to a disability, they must be approved in advance to bring into the Park.

**Due to Holiday Deadlines with our Publisher, December's Deadline will be a little earlier on Friday, November 8<sup>th</sup> (no later than 5:00 PM) for articles and/or photos for the December issue. Please don't forget names, locations, dates, etc. you may have for the pictures and articles.**

# Weathering the Storms Together only Make us Stronger !

*Cover Story*

2015 started off with the decision to replace our covered bridge. Too many people were wanting to drive their golf carts across it, and it was just not stable enough. So before someone fell off into the lake, we decided to re-do it stronger and better!

After that, we worked on updating and replacing our many park street signs and worked on the pipe lining of our sewer lines.

July 2016 brought "Colin" a small tropical storm which caused minimal damage, but then in August, 2016 Category 1, Hurricane "Hermine", decided to visit us with 10" - 20" of rainfall and significant clean-up.

In November the Board decided to move an entrance gate on 9<sup>th</sup> street and create a brick privacy wall for the residents at the entrance. Not only for safety in case someone accidentally drive into the home facing the gate, but it helped block all of our vehicle lights at night.

Spring blossomed again, and in April of 2017 new lanterns were installed on the 9<sup>th</sup> Street Gate St. pillars for safety and better visibility of the entrance. In May of 2017 the Lawn Bowling courts were in desperate need of re-surfacing, so all new carpet was installed, and just in time....

Just when we thought the last year of storms were behind us, we found out we were wrong. In July of 2017 Tropical Storm "Emily" made land fall, and then in September, Category 4 Hurricane "Irma", hit us with over 5" of rain and sever winds, causing even more damage. But we were not discouraged, our Golf Lakes Family grew stronger than ever, as we helped each other clean-up the debris, and supported each other emotionally through this difficult time.

Later in the year we added a garden and drainage to the new brick retaining wall at the 9<sup>th</sup> street entrance which completed the project.

During 2018 we were blessed with a calm year to recuperate and enjoy some peace and quite. Besides the yearly maintenance projects.

Security was the focus of 2019 with gate cameras installed at all gates and the barn. A keyless entry system we currently use today was installed, along with the call box replacement.

### ATTENTION NEW RESIDENTS "Welcome to Golf Lakes"

The Activities Committee has a **New Resident Welcome Committee** and we would love to talk to you. The Committee shares information about our Park, provides you with a voucher for a free safety vest, a "New Resident Handbook" and a Pictorial of the residents in the Park. A short interview provides the opportunity for your formal introduction to the Park. At a minimum, the meeting with the Committee results in your introduction in the Banner. A New Resident listing appears most months in the Banner. You would be surprised the number of times our new residents have found folks from their own state or even their city through the Banner introduction. At this time, the Committee is working hard to get caught up with interviews due to the large number of new residents. If you would like an "Official Greeting" to Golf Lakes, sign up on the **New Resident sheet on Board 2** in the Clubhouse or call Terry Keller at 269-953-2431. Arrangements will be made for your official welcome.

### **Stage and Storage**

Please help us! As you may have noticed, over the past few years we have made many improvements to our audio, and video presentations, lights, etc. in our clubhouse. Some of these are quite high tech and need people who are tech savvy to run and maintain them. Over the years we have lost some of those who did this for us; therefore, we are looking for some new people who might be interested in this to come forward as "Friends of Stage & Storage" to help us out with these tech jobs. We are quite sure that as newer residents come into the park there are more and more of them with the skills needed to give us a hand with these jobs.

These would not be excessively time-consuming duties, and we have people who are willing to explain what these are as well as get you any training you may need. The areas we are looking for are lighting, audio, power point, camera work, projection work, etc. We would be looking to welcome and train anyone interested at the start of the 2023-2024 season. We are investigating the possibility of adding to some of the things we are doing, and we would like to be sure that we have folks in place to maintain and operate the equipment for now and into the future.

So.....if any of you younger, tech savvy folks would like to help us out and have some fun doing it as "Friends of the Stage & Storage Committee" please contact either Cletus Willems or Nelson Kellogg, who are co-chairmen of the committee, or anyone on the committee and we will try to steer you in the right direction. Also, if interested, you are welcome to stop by the sound booth or contact any one of us to see what we have in equipment. You are also welcome to attend our November Stage & Storage Meeting and we will be more than happy to talk to you.

Give it some thought. We need you! *Cheryl Dunlap*

If you have questions, please call Sherie Wood or Cheryl Dunlap.

## Social Hour Short Announcements

Based on concerns about the length and content of announcements made during Social Hour, guidelines have been established to make the announcements shorter and more effective. If making an announcement, please adhere to the following for the benefit of all attendees.

1. Announcements should be no longer than 15 to 20 seconds.
2. Announcements are to inform and not to entertain – elaboration is not needed.
3. Be specific – list dates, times, cost & contact person.
4. Clarify which Board contains specific details and/or sign-up sheets.
5. Should be in a format similar to what may appear as Ch732 announcements (short & concise)
6. Announcements are for events and activities sponsored by Golf Lakes ONLY.
7. Announcements should not be made more than 3 weeks ahead of the activity or event.

If you would prefer not to attend Social Hour but have an announcement, you must legibly write it out and have someone else make it for you or drop it off to the Emcee no later than 8:50 AM that morning and the Emcee will make sure someone makes the announcement.

## GREENS OF MANATEE

The Family Friendly Course  
**Fall 2023**

Summer has flown by, vacations are about over and it is time to think about our Golf Lakes family and friends as well as great golf at the Greens of Manatee. Between the record heat and the unusual lack of rain, it was a tough spring and summer at the course. As we move into fall and early winter, the weather will improve, and golf becomes the name of the game. The course is in great shape and ready for individual and league play. As we move in the last quarter, the following is a summary of items to watch for-

**1. **3. There is still time to purchase your 2024 Annual Golf Fees.** It's a great deal for the avid golfer. If interested, **contact Tom Ladd** at the course.

**4. For All Residents -** The Greens of Manatee is open to everyone, not just golfers. The Snack Bar opens early for breakfast and they have a great selection for lunch.

### PLEASE HELP FILL THE GAPS IN OFFICIAL GOLF LAKES HISTORIAN ALBUMS

Searching for interesting and informative photos over the last 3 years for Golf Lakes Historian Photo Albums. Due to the pandemic upsetting schedules and lives, we believe there are some great photos out there of volunteers, events, and projects that took place, but went undocumented.

Please send anything hiding in your files or phone with a caption, so they can be added into the big albums kept outside the boardroom.

### SEND YOUR PHOTOS, WRITE-UPS OR FLYERS TO OUR NEW OFFICIAL GOLF LAKES HISTORIANS

You can Email them to ANGEL999958@aol.com, or you can post it right to our JILLY HART FACEBOOK PAGE if emailing proves difficult. Or text or call 941-313-4095 and Dale or I will arrange to pick them up.

We have some great ones like this showing volunteers pouring the footings for the new safety rails for the bridge, Jack Preston, Mike Henderson, Phil Crawford, Marvin Lutz, Kurt Barto.

WE LOVE SEEING GOLF LAKERS AT THEIR BEST.

### Golf Lakes Veterans Garden Project Request for Donations

The Beautification Committee is seeking donations for the proposed Veterans Garden Project that was approved by the Board of Directors last spring. The garden will replace the green that is located in front of the clubhouse. The benefits include: providing a pleasing area to honor our Golf Lakes veterans, repurposing unused space, providing safe access to the clubhouse from the parking lot and reducing landscape maintenance. The cost of the project is approximately \$80,000.

If you would like to make a donation to honor a resident veteran and/or help make improvements to our clubhouse entrance, please write a check to **Golf Lakes Residents Assoc.** and write on the memo line "**Veterans Garden**". Also include the name of the resident veteran that you wish to honor. Send the check to Cindy's attention at the main office.

Please contact Steve Pandiscio with any questions. Thank you for your support!

## Banner News

I hope you all have enjoyed the new banner layout! I have enjoyed doing it these past 6 months and also the "History Through The Years" Cover Story. Unfortunately our path has lead my Husband and I in a different direction and we are leaving Golf Lakes.

I am in need of someone who would love to be the new editor of the Banner who has some experience with computers and Microsoft Word or Publisher. You have a team behind you that helps bring you info for the Banner, you're not working alone.

Please email me at [golfcakesbanner@gmail.com](mailto:golfcakesbanner@gmail.com) or call me at 260.271.9064 if you are interested.

Thanks for all your support and kindness this year.

Sincerely, CJ Woodman, Editor
